EXPLANATORY NOTE

This Quarterly Report on Form 10-Q of Sunrise Realty Trust, Inc. (the “Company,” “SUNS,” “we,” “us,” and “our”) pertains to the quarterly period ended September 30, 2024. Prior to July 9, 2024, our sole shareholder was Advanced Flower Capital Inc. (f/k/a AFC Gamma, Inc.) (“AFC” or the “Former Parent”). On July 8, 2024, the Company entered into a Separation and Distribution Agreement with AFC, pursuant to which, among other things, AFC contributed to us its commercial real estate portfolio (the “Separation”). On July 9, 2024, following the Separation, AFC completed the spin-off of the Company (the “Spin-Off”) by distributing all of the Company’s outstanding shares to the holders of AFC common stock (the “Distribution”) as of the close of business on July 8, 2024 (the “Record Date”). AFC’s shareholders of record as of the Record Date received one share of SUNS common stock for every three shares of AFC common stock held as of the Record Date. As a result of the Separation, Distribution and Spin-Off, the Company is now an independent, publicly traded company and our common stock is listed under the symbol “SUNS” on the Nasdaq Capital Market.

Effective July 2, 2024, we became subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and will file annual, quarterly and current reports, proxy statements and other information with the Securities and Exchange Commission (the “SEC”). This Quarterly Report on Form 10-Q presents the financial information of the Company for the period ended September 30, 2024, and does not fully reflect what the Company’s results of operations, cash flows and financial condition would have been had it been an independent company during the period January 1, 2024 through July 8, 2024. As a result, neither the discussion of the Company’s results of operations, cash flows and financial condition nor the financial statements set forth herein are necessarily indicative of the Company’s future results of operations, cash flows or financial condition.

NOTES TO THE FINANCIAL STATEMENTS
As of September 30, 2024
(unaudited)

1. ORGANIZATION

Sunrise Realty Trust, Inc. (the “Company” or “SUNS”) (f/k/a CRE South LLC) was formed on August 28, 2023, and converted from a Delaware limited liability company to a Maryland corporation in February 2024. The Company is an institutional lender that provides debt capital solutions to the commercial real estate (“CRE”) market in the Southern United States. The Company focuses on originating, underwriting and managing CRE debt investments and providing capital to high-quality borrowers and sponsors with transitional business plans collateralized by CRE assets with opportunities for near-term value creation, as well as recapitalization opportunities. The Company intends to create a diversified investment portfolio, targeting investments in senior mortgage loans, mezzanine loans, B-notes, commercial mortgage-backed securities (“CMBS”) and debt-like preferred equity securities across CRE asset classes. The Company intends for its investment mix to include high quality residential, including multi-family, condominiums and single-family residential communities, retail, office, hospitality, industrial, mixed-use and specialty-use real estate. The Company operates in one operating segment.

SUNS is externally managed and advised by Sunrise Manager LLC (“SUNS Manager” or the “Manager”), a registered investment adviser under the Investment Advisers Act of 1940, as amended (the “Advisers Act”). The Company conducts its business through the parent company, Sunrise Realty Trust, Inc., and several subsidiaries. The Company consolidates all of its subsidiaries under generally accepted accounting principles in the United States of America (“GAAP”).

The Company intends to elect to be taxed as a REIT for United States federal income tax purposes under the Internal Revenue Code (the “Code”), commencing with the taxable year ending December 31, 2024. The Company generally will not be subject to United States federal income taxes on its REIT taxable income as long as it annually distributes all of its REIT taxable income prior to the deduction for dividends paid to shareholders and complies with various other requirements as a REIT.

Spin-Off

On July 9, 2024, Advanced Flower Capital Inc. (f/k/a AFC Gamma, Inc.) (“AFC” or the “Former Parent”) announced the completion of the previously announced separation and spin-off of AFC’s CRE portfolio into an independent, publicly traded company, SUNS (the “Spin-Off”). The Spin-Off was effected by the transfer of AFC’s CRE portfolio from AFC to SUNS and the distribution of all of the outstanding shares of SUNS’ common stock, par value \$0.01 per share (the “Common Stock”) to all of AFC’s shareholders of record as of the close of business on July 8, 2024 (the “Record Date”). AFC’s shareholders of record as of the Record Date received one share of SUNS Common Stock for every three shares of AFC common stock held as of the Record Date. The Spin-Off was completed on July 9, 2024 (the “Distribution Date”). On the Distribution Date, SUNS became an independent, publicly traded company, trading on the Nasdaq Capital Market under the symbol “SUNS”. AFC retained no ownership interest in the Company following the Spin-Off.

In connection with the Spin-Off, the Company entered into several agreements with AFC that govern the relationship between the Company and AFC following the Spin-Off, including the Separation and Distribution Agreement and the Tax Matters Agreement. These agreements provide for the allocation between AFC and SUNS of the assets, liabilities and obligations (including, among others, investments, property and tax-related assets and liabilities) of AFC and its subsidiaries attributable to periods prior to, at and after the Spin-Off. Moreover, in preparation for the Spin-Off, the management of SUNS entered into a new management agreement with SUNS Manager, which became effective concurrently with the completion of the Spin-Off. The Manager also entered into (i) an Administrative Services Agreement (the “Administrative Services Agreement”) with TCG Services LLC, an affiliate of the Manager and Leonard Tannenbaum, the Company’s Executive Chairman, and Robyn Tannenbaum, the Company’s President, and (ii) a Services Agreement (the “Services Agreement”) with SRT Group LLC, an affiliate of the Manager, Mr. Tannenbaum, Mrs. Tannenbaum, Mr. Sedrish and Mr. Hetzel.

2. SIGNIFICANT ACCOUNTING POLICIES

The accompanying unaudited interim financial statements should be read in conjunction with the audited financial statements and the related management's disclosure and analysis of financial condition and results of operations included in the Company's final Information Statement included as Exhibit 99.1 to the Company's Registration Statement on Form 10, initially filed on February 22, 2024, as amended, and declared effective on July 2, 2024 (File No. 001-41971) by the U.S. Securities and Exchange Commission (the "SEC"), the final version of which was included as Exhibit 99.1 to the Current Report on Form 8-K filed with the SEC on July 3, 2024 (the "Information Statement").

Refer to Note 2 to the Company's financial statements in the Information Statement for a description of the Company's significant accounting policies. The Company has included disclosures below regarding basis of presentation and other accounting policies that (i) are required to be disclosed quarterly, (ii) have material changes or (iii) the Company views as critical as of the date of this report.

Basis of Presentation

The accompanying unaudited interim financial statements and related notes have been prepared on the accrual basis of accounting in conformity with GAAP and in conformity with the rules and regulations of the SEC applicable to interim financial information. The unaudited interim financial statements reflect all adjustments that, in the opinion of management, are necessary for the fair presentation of the Company's results of operations and financial condition as of and for the periods presented. The historical financial statements of the Company for the periods prior to the completion of the Spin-Off are prepared from AFC's historical accounting records and are presented on a standalone basis as if the Company's operations have been conducted independently from AFC.

The aggregate net effect of transactions between the Company and related parties that have been historically settled other than in cash are reflected in the Balance Sheets as Member's Equity and Shareholder's Equity and in the Statements of Cash Flows as Net Transfers and Distributions From (to) Former Parent. For additional information, see Note 12, "Related Party Transactions," and Note 8, "Shareholders' Equity."

The current period's results of operations will not necessarily be indicative of results that ultimately may be realized for the year ending December 31, 2024.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates. Significant estimates include the current expected credit losses ("CECL").

Recent Accounting Pronouncements

The Company is an "emerging growth company," as defined in the Jumpstart Our Business Startups Act ("JOBS Act"). Section 107 of the JOBS Act provides that an "emerging growth company" can take advantage of the extended transition period provided in Section 7(a)(2)(B) of the Securities Act for complying with new or revised accounting standards. In other words, an "emerging growth company" can delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. The Company has elected to take advantage of this extended transition period. As a result, the Company will not be subject to the same implementation timing for new or revised accounting standards as other public companies that are not emerging growth companies, which may make comparison of the Company's financials to those of other public companies more difficult.

In November 2023, the Financial Accounting Standards Board ("FASB") issued ASU 2023-07—Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures ("ASU 2023-07") to improve reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. ASU 2023-07 is effective for fiscal years beginning after December 15, 2023 and interim periods within fiscal years beginning after December 15, 2024; early adoption is permitted. The amendments should be applied retrospectively to all prior periods presented in the financial statements. Upon transition, the segment expense categories and amounts disclosed in the prior periods should be based on the significant segment expense categories identified and disclosed in the period of adoption. The Company is currently evaluating the impact of the update on the Company's future financial statements.

In December 2023, the FASB issued ASU 2023-09—Income Taxes (Topic 740): Improvements to Income Tax Disclosures (“ASU 2023-09”). ASU 2023-09 improves the transparency of income tax disclosures related to rate reconciliation and income taxes. ASU 2023-09 is effective for annual periods beginning after December 15, 2024. For entities other than public business entities, the amendments are effective for annual periods beginning after December 15, 2025. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. The amendments should be applied prospectively, however retrospective application is permitted. The Company does not currently anticipate that adoption of ASU 2023-09 will have a material impact on the financial statements.

3. LOANS HELD FOR INVESTMENT AT CARRYING VALUE

As of September 30, 2024 and December 31, 2023, the Company’s portfolio included six and zero loans held at carrying value, respectively. The aggregate originated commitment under these loans was approximately \$121.6 million and zero, respectively, and outstanding principal was approximately \$97.5 million and zero, respectively, as of September 30, 2024 and December 31, 2023. During the nine months ended September 30, 2024, the Company funded approximately \$122.5 million of new loans and additional principal and had approximately \$24.9 million of principal repayments of loans held at carrying value. As of September 30, 2024 and December 31, 2023, approximately 72% and zero, respectively, of the Company’s loans held at carrying value had floating interest rates. As of September 30, 2024, these floating benchmark rates included one-month Secured Overnight Financing Rate (“SOFR”) subject to a weighted average floor of 4.2% and quoted at 4.8%.

The following table summarizes the Company’s loans held at carrying value as of September 30, 2024:

	As of September 30, 2024			Weighted Average Remaining Life (Years) ⁽²⁾
	Outstanding Principal ⁽¹⁾	Original Issue Discount	Carrying Value ⁽¹⁾	
Senior mortgage loans ⁽³⁾	\$ 75,179,550	\$ (915,856)	\$ 74,263,694	2.7
Subordinate debt	22,367,562	(225,510)	22,142,052	2.6
Total loans held at carrying value	\$ 97,547,112	\$ (1,141,366)	\$ 96,405,746	2.6

- (1) The difference between the Carrying Value and the Outstanding Principal amount of the loans consists of unaccreted OID and loan origination costs.
- (2) Weighted average remaining life is calculated based on the carrying value of each respective group of loans as of September 30, 2024.
- (3) Senior mortgage loans include senior loans that also have a contiguous subordinate loan because as a whole, the expected credit quality of the subordinate loan is more similar to that of a senior loan.

The following table presents changes in loans held at carrying value as of and for the nine months ended September 30, 2024:

	Principal	Original Issue Discount	Carrying Value
Total loans held at carrying value at December 31, 2023	\$ —	\$ —	\$ —
New fundings	120,031,341	(1,255,761)	118,775,580

- (1) The difference between the Carrying Value and the Outstanding Principal amount of the loans consists of unaccreted OID and loan origination costs.
- (2) Certain loans are subject to contractual extension options and may be subject to performance based or other conditions as stipulated in the loan agreement. Actual maturities may differ from contractual maturities stated herein as certain borrowers may have the right to prepay with or without paying a prepayment penalty. The Company may also extend contractual maturities and amend other terms of the loans in connection with loan modifications.
- (3) I/O = interest-only, P/I = principal and interest. P/I loans may include interest-only periods for a portion of the loan term.
- (4) Cash interest rate represents a blended rate of differing cash interest rates applicable to each of the senior and subordinate loans to which the Company is a lender under the credit agreements. The subordinate loan component bears interest at a base interest rate of 15.31% plus SOFR (SOFR floor of 2.42%) and the senior loan component bears interest at a base interest rate of 12.50%. In August 2024, the Company and the borrower entered into an amendment to, among other things, (i) extend the maturity date on both loans from November 2024 to February 2026, (ii) modify the senior loan interest rate from floating (3.48% plus SOFR, SOFR floor of 4.0%) to fixed 12.5% and (iii) include a \$12.0 million upside to the senior loan, of which the Company has commitments for \$6.0 million and an affiliate co-investor has commitments for the rest.

4. CURRENT EXPECTED CREDIT LOSSES

The Company estimates its current expected credit losses on both the outstanding balances and unfunded commitments on loans held for investment and requires consideration of a broader range of historical experience adjusted for current conditions and reasonable and supportable forecast information to inform the "CECL Reserve" using a model that considers multiple datapoints and methodologies that may include discounted cash flows ("DCF") and other inputs, which may include the risk rating of the loan, how recently the loan was originated compared to the measurement date and expected prepayment, if applicable. Calculation of the CECL Reserve requires loan specific data, which may include the fixed charge coverage ratio, loan-to-value ratio, property type and geographic location. Estimating the CECL Reserve also requires significant judgment with respect to various factors, including but not limited to, the expected timing of loan repayments and the Company's current and future view of the macroeconomic environment. The Company may consider loan-specific qualitative factors on certain loans to estimate its CECL Reserve, which may include (i) whether cash from the borrower's operations is sufficient to cover the debt service requirements currently and into the future, (ii) the ability of the borrower to refinance the loan and (iii) the liquidation value of collateral. For loans where the Company has deemed the borrower/sponsor to be experiencing financial difficulty, the Company may elect to apply a practical expedient in which the fair value of the underlying collateral is compared to the amortized cost of the loan in determining a specific CECL allowance.

As of September 30, 2024, the Company’s CECL Reserve for its loans held at carrying value is approximately \$24.3 thousand, or 0.03%, of the Company’s total loans held at carrying value of approximately \$96.4 million, and is bifurcated between the current expected credit loss reserve (contra-asset) related to outstanding balances on loans held at carrying value of zero, and a liability for unfunded commitments of approximately \$24.3 thousand. The Company made its first investment in January 2024 and therefore did not have a CECL Reserve as of December 31, 2023. The liability was based on the unfunded portion of the loan commitment over the full contractual period over which the Company is exposed to credit risk through a current obligation to extend credit. Management considered the likelihood that funding will occur and, if funded, the expected credit loss on the funded portion.

Activity related to the CECL Reserve for outstanding balances and unfunded commitments on the Company’s loans held at carrying value as of and for the three and nine months ended September 30, 2024 was as follows:

	Outstanding ⁽¹⁾	Unfunded ⁽²⁾	Total
Balance at June 30, 2024	\$ 37,421	\$ 34,433	\$ 71,854
(Decrease) increase in provision for current expected credit losses	(37,421)	(10,106)	(47,527)

Write-offs	—	—	—
Recoveries	—	—	—
Balance at September 30, 2024	\$ —	\$ 24,327	\$ 24,327

- (1) As of September 30, 2024, the CECL Reserve related to outstanding balances on loans held at carrying value is recorded within current expected credit loss reserve in the Company’s balance sheets.
- (2) As of September 30, 2024, the CECL Reserve related to unfunded commitments on loans held at carrying value is recorded within current expected credit loss reserve as a liability in the Company’s balance sheets.

The Company continuously evaluates the credit quality of each loan by assessing the risk factors of each loan and assigning a risk rating based on a variety of factors. Risk factors include property type, geographic and local market dynamics, physical condition, projected cash flow, loan structure and exit plan, loan-to-value ratio, fixed charge coverage ratio, project sponsorship, and other factors deemed necessary by the Company. Based on a 5-point scale, the Company’s loans are rated “1” through “5,” from less risk to greater risk, which ratings are defined as follows:

Rating	Definition
1	Very Low Risk — Investment exceeds performance expectations. Trends and risk factors since time of investment are favorable.
2	Low Risk — Investment performing consistent with expectations and a full return of principal and interest expected. Trends and risk factors are neutral to favorable.
3	Medium Risk — Performing investments requiring closer monitoring. Trends and risk factors show some deterioration.
4	High Risk/ Potential for Loss — Investment underperforming with the potential of some interest loss. Trends and risk factors are negative.
5	Impaired/ Loss Likely — Investment underperforming with expected loss of interest, and full recovery of principal is unlikely.

The risk ratings are primarily based on historical data as well as taking into account future economic conditions.

As of September 30, 2024, the carrying value, excluding the CECL Reserve, of the Company's loans held at carrying value within each risk rating by year of origination is as follows:

Risk Rating:	2024	Total
1	\$ 10,572,368	\$ 10,572,368
2	85,833,378	85,833,378

6. DEBT

Revolving Credit Facility

In September 2024, the Company entered into an unsecured revolving credit agreement (the "Credit Agreement"), by and between the Company, as borrower, and SRT Finance LLC, as agent and lender. SRT Finance LLC is indirectly owned by Leonard M. Tannenbaum, Executive Chairman of the Company's Board of Directors and one of the Company's officers, and Robyn Tannenbaum, President of the Company, along with their family members and associated family trusts. The Credit Agreement provides for an unsecured revolving credit facility (the "SRT Revolving Credit Facility") with a \$50.0 million commitment, which may be borrowed, repaid and redrawn, subject to a draw fee and the other conditions provided in the Credit Agreement. Interest is payable on the SRT Revolving Credit Facility at 1-month SOFR (subject to a 3.0% floor) plus a margin of 2.75% (7.60% at September 30, 2024), with a maturity date of December 31, 2025. The Company did not incur any fees or costs related to the origination of the SRT Revolving Credit Facility, and the SRT Revolving Credit Facility does not have any unused fees. As of September 30, 2024, the Company drew on the full amount of the Revolving Credit Facility, resulting in \$50.0 million in outstanding borrowings and zero available for borrowing. Interest expense incurred for the three and nine months ended September 30, 2024 was approximately \$43.2 thousand. The borrowings were subsequently repaid on October 1, 2024. The SRT Revolving Credit Facility was terminated on November 6, 2024.

7. COMMITMENTS AND CONTINGENCIES

As of September 30, 2024 and December 31, 2023, the Company had the following commitments to fund various investments:

Less: drawn commitments	(97,547,112)	—
Total undrawn commitments	\$ 24,022,989	\$ —

The Company from time to time may be a party to litigation in the normal course of business. The Company investigates these claims as they arise. If the potential loss from any claim or legal claim is considered probable and the amount can be estimated, the Company accrues a liability for the estimated loss. As of September 30, 2024, the Company is not aware of any legal claims that could materially impact its business, financial condition or results of operations.

8. SHAREHOLDER'S EQUITY

Corporate Conversion

On February 20, 2024, the Company completed a corporate conversion, converting from a Delaware limited liability company to a Maryland corporation. Pursuant to the certificate of incorporation effected in connection with the corporate conversion, the Company's authorized capital stock consists of 50,000,000 shares of voting Common Stock and 10,000 shares of Preferred Stock (defined below), par value \$0.01 per share.

The Company's Board of Directors (the "Board of Directors") has the authority, without action by our shareholders, to issue up to 10,000 shares of Preferred Stock in one or more series or classes and to designate the rights, preferences and privileges of each series or class, which may be greater than the rights of SUNS' Common Stock. There were no shares of Preferred Stock designated or outstanding as of September 30, 2024 and December 31, 2023, respectively.

Common Stock

Spin-Off

On July 1, 2024, the Board of Directors approved a forward stock split of shares of the Company's Common Stock, at a ratio of 68,890.32-for-one (to be effected in the form of a stock dividend for purposes of the Maryland General Corporation Law), pursuant to which 68,890.32 additional shares of the Company's Common Stock were issued for each outstanding share of the Company's Common Stock (the "Forward Stock Split"), payable prior to the consummation of the Spin-Off. The Forward Stock Split took effect immediately prior to the distribution of the shares of the Company's common stock to the shareholders of AFC common stock.

As a result of the Forward Stock Split, the number of outstanding shares of the Company's Common Stock increased to 6,889,032 shares outstanding as of July 9, 2024, of which 88,685 were restricted shares at the time of Spin-Off.

The Spin-Off was effected by the transfer of AFC's CRE portfolio from AFC to SUNS and the distribution of all of the outstanding shares of SUNS Common Stock to all of AFC's shareholders of record as of the close of business on July 8, 2024. AFC's shareholders of record as of the Record Date received one share of SUNS Common Stock for every three shares of AFC common stock held as of the close of business on July 8, 2024, the Record Date for the distribution, as well as a cash payment in lieu of any fractional shares. The Spin-Off was completed on July 9, 2024. Immediately after the Spin-Off, the Company was no longer a wholly owned subsidiary of AFC.

On July 9, 2024, AFC non-vested restricted stock awards that were outstanding on the Distribution Date were converted into AFC restricted stock awards and SUNS restricted stock awards. Upon completion of the Spin-Off, the AFC restricted stock awards were converted into 88,685 shares of SUNS restricted stock. The vesting schedule remains the same as the original awards.

Stock Incentive Plan

The Company has established the 2024 Stock Incentive Plan (the “2024 Plan”). The 2024 Plan authorizes stock options, stock appreciation rights, restricted stock, stock bonuses, stock units and other forms of awards granted or denominated in the Company’s Common Stock or units of Common Stock. The 2024 Plan retains flexibility to offer competitive incentives and to tailor benefits to specific needs and circumstances. Any award may be structured to be paid or settled in cash. The Company has granted, and currently intends to continue to grant, restricted stock awards to participants in the 2024 Plan, but it may also grant any other type of award available under the 2024 Plan in the future. Persons eligible to receive awards under the 2024 Plan include officers or employees of the Company or any of its subsidiaries, directors of the Company, employees of the Manager and certain directors, consultants and other service providers to the Company or any of its subsidiaries.

In July 2024, the Board of Directors approved grants of 36,363 shares of restricted stock to Brian Sedrish in connection with his appointment as CEO, which vest over a three-year period with approximately 33% vesting on each of the first, second and third anniversaries of July 9, 2024.

As of September 30, 2024, there were 36,363 shares of restricted stock granted under the 2024 Plan.

As of September 30, 2024, the maximum number of shares of the Company’s Common Stock that may be delivered pursuant to awards under the 2024 Plan (the “Share Limit”) equals 551,122 shares. Shares that are subject to or underlie awards that expire or, for any reason, are cancelled, terminated, forfeited, fail to vest or are not paid or delivered under the 2024 Plan will not be counted against the Share Limit and will again be available for subsequent awards under the 2024 Plan.

The stock-based compensation expense for the Company was approximately \$0.2 million for the three and nine months ended September 30, 2024 and zero during the period from August 28, 2023 to September 30, 2023, respectively.

The following table summarizes restricted stock (i) converted upon Spin-Off, (ii) granted, (iii) vested and (iv) forfeited for the Company’s directors and officers and employees of the Manager as of September 30, 2024. There was no stock award activity during the period from August 28, 2023 (date of formation) to December 31, 2023.

9. EARNINGS PER SHARE

In connection with the Spin-Off, all of the outstanding shares of the Company's Common Stock were distributed to AFC's shareholders of record as of the close of business on July 8, 2024 and AFC's shareholders received one share of the Company's Common Stock for every three shares of AFC common stock held. As a result, on July 9, 2024, the Company had 6,889,032 shares of Common Stock outstanding. This share amount is utilized for the calculation of basic and diluted earnings per share for all periods presented prior to the Spin-Off. For periods prior to the Spin-Off, there were no dilutive equity instruments, as there were no equity awards of the Company outstanding prior to the Spin-Off. After the Spin-Off, actual outstanding shares are used to calculate both basic and diluted weighted average number of common shares outstanding.

The following information sets forth the computations of basic and diluted weighted average earnings per common share for the three and nine months ended September 30, 2024 and for the period from August 28, 2023 to September 30, 2023:

	Three months ended September 30, 2024	Period from August 28, 2023 to September 30, 2023	Nine months ended September 30, 2024	Period from August 28, 2023 to September 30, 2023
Net income attributable to common shareholders	\$ 1,738,363	\$ 7,767	\$ 5,014,451	\$ 7,767
Divided by:				
Basic weighted average shares of common stock outstanding	6,800,500	6,889,032	6,800,500	6,889,032
Weighted average unvested restricted stock	25,405	—	25,405	—
Diluted weighted average shares of common stock outstanding	6,825,905	6,889,032	6,825,905	6,889,032
Basic weighted average earnings per common share	\$ 0.26	\$ —	\$ 0.74	\$ —
Diluted weighted average earnings per common share	\$ 0.25	\$ —	\$ 0.73	\$ —

Diluted earnings per common share was computed using the treasury stock method for restricted stock. Diluted weighted average earnings per common share excluded 33,998 and 33,998 weighted average unvested restricted stock due to anti-dilutive effect for the three and nine months ended September 30, 2024, respectively, and zero for the period from August 28, 2023 to September 30, 2023.

10. INCOME TAX

Prior to the Spin-Off, the Company was a wholly-owned subsidiary of AFC, and was a disregarded entity for tax purposes. As such, the Company did not file a tax return. The Company's entire share of taxable income or loss was previously included in the tax return of AFC. The Company was formed on August 28, 2023 and converted from a Delaware limited liability company to a Maryland corporation in February 2024. The Company intends to elect to be taxed as a REIT for U.S. federal income tax purposes, commencing with the taxable year ending December 31, 2024. The Company believes that, commencing with such taxable year, the Company is organized and operated in such manner as to qualify for taxation as a REIT under the U.S. federal income tax laws, and the Company intends to continue to operate in such a manner. However, no assurances can be given that our beliefs or expectations will be fulfilled, since qualification as a REIT depends on our continuing to satisfy numerous asset, income, and distribution tests, which in turn depends, in part, on our operating results. The Company will elect to be taxed as a REIT only if the Company believes that we have been organized in conformity with the requirements for qualification and taxation as a REIT under the U.S. federal income tax laws, and that our method of operation will enable us to satisfy the requirements for qualification and taxation as a REIT under the U.S. federal income tax laws for such taxable year and thereafter.

So long as the Company qualifies for taxation as a REIT, the Company generally will not be subject to U.S. federal income tax on the portion of our taxable income or capital gain that is distributed to stockholders annually. The income tax provision for the Company was zero for the three and nine months ended September 30, 2024.

For the three and nine months ended September 30, 2024, the Company incurred no expense for U.S. federal excise tax. Excise tax represents a 4% tax on the sum of a portion of the Company's ordinary income and net capital gains not distributed during the period. If it is determined that an excise tax liability exists for the current period, the Company will accrue excise tax on estimated excess taxable income as such taxable income is earned. The expense is calculated in accordance with applicable tax regulations.

The Company does not have any unrecognized tax benefits and the Company does not expect that to change in the next 12 months.

11. FAIR VALUE

Fair Value of Financial Instruments

14. SUBSEQUENT EVENTS

The Company has evaluated subsequent events through the date the financial statements were available to be issued. There were no material subsequent events, other than those described below, that required disclosure in these unaudited interim financial statements.

New Loan

In November 2024, the Company and affiliated co-investors entered into a whole loan (the "Whole Loan") consisting of an aggregate of \$96.0 million in loan commitments. The property securing the loan is a development site and related condominium project located in Fort Lauderdale, Florida. The proceeds are expected to be used to commence and facilitate construction.

The Company committed a total of \$30.0 million and affiliated co-investors committed \$60.0 million, with the remaining \$6.0 committed by an unaffiliated investor (the "Originating Lender"). At closing, the Company funded approximately \$3.6 million and the affiliated co-investors funded approximately \$7.2 million and the Originating Lender funded approximately \$0.7 million. The Whole Loan is split into a Senior Loan and Mezzanine Loan, each with two A-Notes (\$62.4 million of the total commitment amount) and two B-Notes (\$33.6 million of the total commitment amount, of which \$6.0 million was committed by the Originating Lender). The A-Notes bear interest at a rate of SOFR plus 4.75%, with a rate index floor of 4.75%. The B-Notes bear interest at a rate of SOFR plus 11.00%, with a rate index floor of 4.75%. The A-Notes and B-Notes were issued at a discount of 1.0% and mature in 26 months, subject to two, six-month extension options.

Revolving Credit Facility

On November 6, 2024, the Company entered into the Loan and Security Agreement (the "Revolving Credit Agreement") by and among the Company, the lenders party thereto (the "Lenders"), and East West Bank, as Agent, Joint Lead Arranger, Joint Book Runner, Co-Syndication Agent and Co-Documentation Agent.

The Revolving Credit Agreement provides for a senior secured revolving credit facility (the "Revolving Credit Facility") with \$50.0 million in initial aggregate commitments, which may be borrowed, repaid and redrawn, subject to a borrowing base based on eligible loan obligations held by the Company and subject to the satisfaction of other conditions provided in the Revolving Credit Agreement. Pursuant to the terms of the Revolving Credit Agreement, the amount of total commitments may be increased to up to \$200.0 million in aggregate, subject to available borrowing base and lenders' willingness to provide additional commitments. The Revolving Credit Facility has a maturity date of November 8, 2027.

Interest is payable on the Revolving Credit Facility in cash in arrears at the rate per annum of SOFR plus 2.75%, with a SOFR floor of 2.63%; provided, however, that the interest rate will increase by an additional 0.25% during any Increase Rate Month (as defined in the Revolving Credit Agreement).

The Company is required to pay certain fees to the agent and the lenders under the Revolving Credit Agreement, including a \$75,000 agent fee payable to the agent and an 0.25% per annum loan fee payable ratably to the lenders, in each case, payable on the closing date and on the annual anniversary thereafter. Commencing on the six-month anniversary of the closing date, the Revolving Credit Facility has an unused line fee of 0.25% per annum, payable semi-annually in arrears. Based on the terms of the Revolving Credit Agreement, the unused line fee is waived if our average cash balance exceeds the minimum balance required per the Revolving Credit Agreement.

The Revolving Credit Facility contains customary covenants, including covenants that limit or restrict the Company's and its subsidiaries' ability to incur liens, incur indebtedness, make certain restricted payments, merger or consolidate or make dispositions of assets. In addition, the Company and its subsidiaries are subject to certain financial covenants, including a liquidity and debt service coverage ratio covenant.

The Revolving Credit Facility is guaranteed by certain material subsidiaries of the Company and is secured by substantially all assets of the Company and certain of its material subsidiaries; provided that upon the meeting of certain conditions, the facility will be secured only by certain assets of the Company comprising of or relating to loan obligations designed for inclusion in the borrowing base.

Relationships

Certain of the lenders and their affiliates may in the future engage in investment banking, commercial banking and other financial advisory and commercial dealings with the Company and its affiliates.

Termination of SRT Revolving Credit Facility

On November 6, 2024, in conjunction with the entry by the Company into the Revolving Credit Facility, the Company terminated the unsecured revolving credit agreement (the "Credit Agreement") dated September 26, 2024, by and between the Company, as borrower, and SRT Finance LLC, as agent and lender. Upon execution of the Revolving Credit Facility, the lenders' commitments under the Credit Agreement were terminated and the liability of the Company and its subsidiaries with respect to their obligations under the Credit Agreement was discharged.

Specifically, this report includes forward-looking statements regarding (i) our portfolio and strategies for the growth of our commercial real estate lending business; (ii) our working capital, liquidity and capital requirements; (iii) potential state and federal legislative and regulatory matters; (iv) our expectations and estimates regarding certain tax, legal and accounting matters, including the impact on our financial statements and/or those of our borrowers; (v) the amount, collectability and timing of cash flows, if any, from our loans; (vi) our expected ranges of originations and repayments; (vii) estimates relating to our ability to make distributions to our shareholders in the future; and (viii) our investment strategy.

These forward-looking statements reflect management’s current views about future events, and are subject to risks, uncertainties and assumptions. Our actual results may differ materially from the future results and events expressed or implied by the forward-looking statements. The most important factors that could prevent us from achieving our goals, and cause the assumptions underlying forward-looking statements and the actual results to differ materially from those expressed in or implied by those forward-looking statements include, but are not limited to, the following:

- we have limited history of operating as an independent company, and our historical financial information is not necessarily representative of the results that we would have achieved as a separate, publicly traded company and may not be a reliable indicator of our future results;
- our ability to identify a successful business and investment strategy and execute on our strategy;
- the ability of our Manager to locate suitable loan opportunities for us and to monitor and actively manage our portfolio and implement our investment strategy;
- our ability to meet our expected ranges of originations and repayments;
- the allocation of loan opportunities to us by our Manager;
- changes in general economic conditions, in our industry and in the commercial finance and commercial real estate markets;
- the state of the U.S. economy generally or in specific geographic regions in which we operate, including as a result of the impact of natural disasters;
- the impact of a protracted decline in the liquidity of credit markets on our business;
- the amount, collectability and timing of our cash flows, if any, from our loans;
- our ability to obtain and maintain financing arrangements;
- our expected leverage;
- changes in the value of our loans;
- losses that may be exacerbated due to the concentration of our portfolio in a limited number of loans and borrowers;
- our expected investment and underwriting process;
- the rates of default or recovery rates on our loans;
- the degree to which our hedging strategies may or may not protect us from interest rate volatility;
- the availability of investment opportunities in mortgage-related and real estate-related instruments and other securities;

- changes in interest rates and impacts of such changes on our results of operations, cash flows and the market value of our loans;
- interest rate mismatches between our loans and our borrowings used to fund such loans;

- impact of and changes in governmental regulations, tax law and rates, accounting guidance and similar matters;
- the impact of a changing interest rate environment;
- our ability to maintain our exemption from registration under the Investment Company Act (as defined below);
- our ability to qualify and maintain our qualification as a REIT for U.S. federal income tax purposes;
- estimates relating to our ability to make distributions to our shareholders in the future;
- our understanding of our competition;
- market trends in our industry, interest rates, real estate values, the securities markets or the general economy;
- we may not achieve some or all of the expected benefits of the Spin-Off;
- that the Distribution will not qualify for tax-free treatment;
- we may have indemnification liabilities to AFC under the Separation and Distribution Agreement;
- there had been no public market for SUNS Common Stock prior to the Distribution and an active trading market may not be sustained or be liquid in the future, which may cause the market price of SUNS Common Stock to decline significantly and make it difficult for investors to sell their shares;
- we may issue shares of preferred or common stock in the future, which could dilute your percentage ownership of SUNS; and
- litigation, including costs associated with prosecuting or defending claims and any adverse outcomes.

The above list of factors is not exhaustive or necessarily in order of importance.

Please see the section entitled “*Risk Factors*” located in our final Information Statement on Form 10, the final version of which was included as Exhibit 99.1 on our Form 8-K filed with the SEC on July 3, 2024, for a further discussion of these and other risks and uncertainties which could affect our future results. Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

The following discussion and analysis of our financial condition and results of operations should be read in conjunction with our financial statements and the accompanying notes and other information included in this Quarterly Report on Form 10-Q (the “Quarterly Report”) and our Information Statement. This discussion and analysis contains forward-looking statements that involve risks and uncertainties which could cause our actual results to differ materially from those anticipated in these forward-looking statements, including, but not limited to, risks and uncertainties discussed under the heading “Cautionary Note Regarding Forward-Looking Statements,” in this Form 10-Q and “Risk Factors” in our Information Statement.

Overview

SUNS is a Maryland corporation that was formed on August 28, 2023, that intends to elect to be treated as a real estate investment trust for U.S. federal income tax purposes and that made its first investment in January 2024. We are led by a veteran team of commercial real estate investment professionals and our external manager, Sunrise Manager LLC. We conduct our business through our parent company, Sunrise Realty Trust, Inc., and several subsidiaries. We consolidate all of our subsidiaries under generally accepted accounting principles in the United States of America (“GAAP”). We are an institutional lender that provides debt capital solutions to CRE markets in the Southern United States. SUNS’ focus is on originating CRE debt investments and providing capital to high-quality borrowers and sponsors with transitional business plans collateralized by CRE assets with opportunities for near-term value creation, as well as recapitalization opportunities. SUNS intends to create a diversified investment portfolio, targeting investments in senior mortgage loans, mezzanine loans, B-notes, CMBS and debt-like preferred equity securities across CRE asset classes. We intend for SUNS’ investment mix to include high quality residential, including multi-family, condominiums and single-family residential communities, retail, office, hospitality, industrial, mixed-use and specialty-use real estate.

Our investment focus includes originating or acquiring loans backed by single assets or portfolios of assets that typically have (i) an investment hold size of approximately \$15-100 million, secured by CRE assets, including transitional or construction projects, across diverse property types, (ii) a duration of approximately 2-5 years, (iii) interest rates that are determined periodically on the basis of a floating base lending rate (e.g., SOFR) plus a credit spread, (iv) a loan-to-value (“LTV”) ratio of no greater than approximately 75% on an individual investment basis and (v) no more than approximately 75% LTV across the portfolio, in each case, at the time of origination or acquisition, and are led by experienced borrowers and well-capitalized sponsors with high quality business plans. Our loans typically feature origination fees and/or exit fees. We target a portfolio net internal rate of return (“IRR”) in the low-teens, which we aim to be in the mid-teens after including total interest and other revenue from the portfolio, including loans funded from drawing on our leverage, net of our interest expense from our portfolio lenders. We are also targeting a near- to mid-term target capitalization of one-third equity, one-third secured debt availability and one-third unsecured debt. We do not expect to be fully drawn on our anticipated secured debt availability and, as a result, we are targeting an expected leverage ratio of 1.5:1 debt-to-equity.

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act (“JOBS Act”), and we are eligible to take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies” including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding a non-binding advisory vote on executive compensation and shareholder approval of any golden parachute payments not previously approved. In addition, Section 107 of the JOBS Act provides that an “emerging growth company” can take advantage of the extended transition period provided in Section 7(a)(2) (B) of the Securities Act for complying with new or revised accounting standards. In other words, an “emerging growth company” can delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. We have elected to take advantage of the extended transition period. As a result, we will not be subject to the same implementation timing for new or revised accounting standards as other public companies that are not emerging growth companies, which may make comparison of our financials to those of other public companies more difficult.

We could remain an “emerging growth company” for up to five years from our initial public offering, or until the earliest of (i) the last day of the first fiscal year in which our annual gross revenues exceed \$1.235 billion, (ii) the date that we become a “large accelerated filer” as defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended, which would occur if the market value of our common stock that is held by non-affiliates exceeds \$700.0 million as of the last business day of our most recently completed second fiscal quarter, or (iii) the date on which we have issued more than \$1.0 billion in non-convertible debt during the preceding three-year period.

Spin-Off

On February 22, 2024, AFC announced a plan to separate into two independent, publicly traded companies— one focused on providing institutional loans to state law compliant cannabis operators in the United States, the other an institutional commercial real estate lender focused on the Southern United States. On July 9, 2024, AFC completed the separation of its CRE portfolio through the spin-off of SUNS. The Spin-Off was effected by the transfer of AFC's CRE portfolio from AFC to SUNS and the distribution of all of the outstanding shares of SUNS Common Stock to all of AFC's shareholders of record as of the close of business on July 8, 2024. AFC's shareholders of record as of the Record Date received one share of our Common Stock for every three shares of AFC common stock held as of the Record Date. AFC retained no ownership interest in us following the Spin-Off. Prior to the Spin-Off, AFC contributed approximately \$114.8 million to us in connection with the Spin-Off, comprised of our loan portfolio and cash.

In connection with the Spin-Off, we entered into several agreements with AFC that govern the relationship between us and AFC following the Spin-Off, including the Separation and Distribution Agreement and the Tax Matters Agreement. These agreements provide for the allocation between AFC and SUNS of the assets, liabilities and obligations (including, among others, investments, property and tax-related assets and liabilities) of AFC and its subsidiaries attributable to periods prior to, at and after the Spin-Off. Moreover, concurrent with the completion of the Spin-Off on July 9, 2024, our management agreement with SUNS Manager became effective. SUNS Manager also entered into (i) an Administrative Services Agreement (the "Administrative Services Agreement") with TCG Services LLC, an affiliate of the Manager and Leonard Tannenbaum, the Company's Executive Chairman, and Robyn Tannenbaum, the Company's President, and (ii) a Services Agreement (the "Services Agreement") with SRT Group LLC, an affiliate of SUNS Manager, Mr. Tannenbaum, Mrs. Tannenbaum, Mr. Sedrish and Mr. Hetzel.

We adopted the 2024 Stock Incentive Plan (the "2024 Plan"). A summary of the 2024 Plan can be found in the Information Statement in the section entitled "Management—2024 Stock Incentive Plan." Such description is incorporated herein by reference. The description of the foregoing 2024 Plan is intended to provide a general description only, is subject to the detailed terms and conditions of, and is qualified in its entirety by reference to the full text of, the 2024 Plan, which is attached hereto as Exhibit 10.4, which is incorporated herein by reference.

Effective July 1, 2024, Jodi Hanson Bond and James Fagan resigned from AFC's Board of Directors and joined our Board of Directors. Additionally, Alexander Frank was appointed as a director of SUNS and remained a director of AFC. In addition, effective July 1, 2024, Leonard Tannenbaum was appointed Executive Chairman of SUNS (and remained Executive Chairman and Chief Investment Officer of AFC) and Brian Sedrish was appointed Chief Executive Officer and director of SUNS. Brandon Hetzel continues in his role as Chief Financial Officer and Treasurer of SUNS (and remains the Chief Financial Officer of AFC) and Robyn Tannenbaum continues in her role as President of SUNS (and remains the President of AFC).

During the three and nine months ended September 30, 2024, we incurred approximately \$0.0 million and \$0.6 million, respectively, related to Spin-Off costs, which are recorded within professional fees in the unaudited interim statements of operations.

Certain of the lenders and their affiliates may in the future engage in investment banking, commercial banking and other financial advisory and commercial dealings with the Company and its affiliates.

Key Financial Measures and Indicators

As a commercial real estate finance company, we believe the key financial measures and indicators for our business are Distributable Earnings (as defined below), book value per share and dividends declared per share.

Non-GAAP Metrics

Distributable Earnings

In addition to using certain financial metrics prepared in accordance with GAAP to evaluate our performance, we also use Distributable Earnings to evaluate our performance, excluding the effects of certain transactions and GAAP adjustments we believe are not necessarily indicative of our current loan activity and operations. Distributable Earnings is a measure that is not prepared in accordance with GAAP. We use these non-GAAP financial measures both to explain our results to shareholders and the investment community and in the internal evaluation and management of our businesses. Our management believes that these non-GAAP financial measures and the information they provide are useful to investors since these measures permit investors and shareholders to assess the overall performance of our business using the same tools that our management uses to evaluate our past performance and prospects for future performance. The determination of Distributable Earnings is substantially similar to the determination of Core Earnings under our Management Agreement, provided that Core Earnings is a component of the calculation of any Incentive Compensation earned under the Management Agreement for the applicable time period. Thus, Core Earnings is calculated without giving effect to Incentive Compensation expense, while the calculation of Distributable Earnings accounts for any Incentive Compensation earned for such time period.

We define Distributable Earnings as, for a specified period, the net income (loss) computed in accordance with GAAP, excluding (i) stock-based compensation expense, (ii) depreciation and amortization, (iii) any unrealized gains, losses or other non-cash items recorded in net income (loss) for the period, regardless of whether such items are included in other comprehensive income or loss, or in net income (loss); provided that Distributable Earnings does not exclude, in the case of investments with a deferred interest feature (such as OID, debt instruments with PIK interest and zero coupon securities), accrued income that we have not yet received in cash, (iv) increase (decrease) in provision for current expected credit losses, (v) TRS (income) loss, net of any dividends received from TRS and (vi) one-time events pursuant to changes in GAAP and certain non-cash charges, in each case after discussions between our Manager and our independent directors and after approval by a majority of such independent directors.

We believe providing Distributable Earnings on a supplemental basis to our net income as determined in accordance with GAAP is helpful to shareholders in assessing the overall performance of our business. As a REIT, we are required to distribute at least 90% of our annual REIT taxable income, subject to certain adjustments, and to pay tax at regular corporate rates to the extent that we annually distribute less than 100% of such taxable income. Given these requirements and our belief that dividends are generally one of the principal reasons that shareholders invest in our Common Stock, we generally intend to attempt to pay dividends to our shareholders in an amount at least equal to such REIT taxable income, if and to the extent authorized by our Board of Directors. Distributable Earnings is one of many factors considered by our Board of Directors in authorizing dividends and, while not a direct measure of net taxable income, over time, the measure can be considered a useful indicator of our dividends.

Distributable Earnings is a non-GAAP financial measure and should not be considered as a substitute for GAAP net income. We caution readers that our methodology for calculating Distributable Earnings may differ from the methodologies employed by other REITs to calculate the same or similar supplemental performance measures, and as a result, our reported Distributable Earnings may not be comparable to similar measures presented by other REITs.

The following table provides a reconciliation of GAAP net income to Distributable Earnings:

	Three months ended September 30, 2024	Period from August 28, 2023 to September 30, 2023	Nine months ended September 30, 2024	Period from August 28, 2023 to September 30, 2023

Book Value Per Share

We believe that book value per share is helpful to shareholders in evaluating our growth as we scale our equity capital base and continue to invest in our target investments. The book value per share of our Common Stock as of September 30, 2024 and December 31, 2023 was approximately \$16.19 and \$4.53, respectively, on a post-split share basis. The September 30, 2024 book value per share of our Common Stock includes a reduction in book value due to the declaration of the fourth quarter dividend, declared on August 14, 2024. The book value per share of our Common Stock as of September 30, 2024 would have been \$16.61, absent the declaration of the fourth quarter dividend.

Factors Impacting our Operating Results

The results of our operations are affected by a number of factors and primarily depend on, among other things, the level of our net interest margin, the market value of our assets and the supply of, and demand for, commercial real estate debt and other financial assets in the marketplace. Our net interest margin, which includes the accretion and amortization of OID, is recognized based on the contractual rate and the outstanding principal balance of the loans we originate. Interest rates will vary according to the type of loan, conditions in the financial markets, creditworthiness of our borrowers, competition and other factors, some of which cannot be predicted with any certainty. Our operating results may also be impacted by credit losses in excess of initial anticipations or unanticipated credit events experienced by our borrowers.

Results of Operations for the three and nine months ended September 30, 2024

We were formed on August 28, 2023 with limited operational activity during the period from August 28, 2023 to September 30, 2023. We did not make our first investment until January 2024; and therefore, have no period to compare results for the three and nine months ended September 30, 2024.

Our net income allocable to our common shareholders for the three months ended September 30, 2024, was approximately \$1.7 million, or \$0.26 per basic weighted average common share. Net interest income was comprised of interest income earned of approximately \$3.2 million, net of interest expense of approximately \$(43.2) thousand.

For the three months ended September 30, 2024, operating expenses were approximately \$1.5 million, mainly relating to approximately \$0.6 million in general and administrative expenses, \$0.3 million in professional fees and \$0.4 million in management fees. Concurrent with the completion of the Spin-Off on July 9, 2024, our Management Agreement with SUNS Manager became effective. As a result of this agreement, SUNS management fee was approximately \$0.4 million and no incentive fee was incurred for the three months ended September 30, 2024. Reimbursable shared expenses under the Management Agreement were approximately \$0.5 million for the three months ended September 30, 2024. Other costs within professional fees related to legal, audit, and board of director fees.

Our net income allocable to our common shareholders for the nine months ended September 30, 2024, was approximately \$5.0 million, or \$0.74 per basic weighted average common share. Net interest income was comprised of interest income earned of approximately \$7.2 million, net of interest expense of approximately \$(43.2) thousand.

For the nine months ended September 30, 2024, operating expenses were approximately \$2.1 million, mainly relating to approximately \$0.6 million in general and administrative expenses, \$1.0 million in professional fees and \$0.4 million in management fees. As a result of our Management Agreement with SUNS Manager, SUNS management fee was approximately \$0.4 million and no incentive fee was incurred for the nine months ended September 30, 2024. Reimbursable shared expenses under the Management Agreement were approximately \$0.5 million for the nine months ended September 30, 2024. Professional fees included approximately \$0.6 million in spin-off costs incurred during the nine months ended September 30, 2024. Other costs within professional fees related to legal, audit, and board of director fees.

Stock-based compensation was approximately \$0.2 million for the three and nine months ended September 30, 2024, driven by restricted stock awards granted and restricted stock awards converted as part of the Spin-Off.

Provision for Current Expected Credit Losses

The decrease (increase) in provision for current expected credit losses for the three and nine months ended September 30, 2024 was approximately \$47.5 thousand and \$(24.3) thousand, respectively. The CECL Reserve balance as of September 30, 2024 was approximately \$24.3 thousand, or 0.03%, of our total loans held at carrying value balance of approximately \$96.4 million and was bifurcated between (i) the current expected credit loss reserve (contra-asset) related to outstanding balances on loans held at carrying value of zero and (ii) a liability for unfunded commitments of approximately \$24.3 thousand. The liability is based on the unfunded portion of loan commitments over the full contractual period over which we are exposed to credit risk through a current obligation to extend credit. Management considered the likelihood that funding will occur, and if funded, the expected credit loss on the funded portion. We continuously evaluate the credit quality of each loan by assessing the risk factors of each loan.

- (1) Estimated YTM includes a variety of fees and features that affect the total yield, which may include, but is not limited to, OID, exit fees, prepayment fees, unused fees and contingent features. OID is recognized as a discount to the funded loan principal and is accreted to income over the term of the loan.

The estimated YTM calculations require management to make estimates and assumptions, including, but not limited to, the timing and amounts of loan draws on delayed draw loans, the timing and collectability of exit fees, the probability and timing of prepayments and the probability of contingent features occurring. For example, certain credit agreements contain provisions pursuant to which certain PIK interest rates and fees earned by us under such credit agreements will decrease upon the satisfaction of certain specified criteria which we believe may improve the risk profile of the applicable borrower. To be conservative, we have not assumed any prepayment penalties or early payoffs in our estimated YTM calculation. Estimated YTM is based on current management estimates and assumptions, which may change. Estimated YTM is calculated using the interest rate as of September 30, 2024 applied through maturity. Actual results could differ from those estimates and assumptions.

- (2) Cash interest rate represents a blended rate of differing cash interest rates applicable to each of the senior and subordinate loans to which the Company is a lender under the credit agreements. The subordinate loan component bears interest at a base interest rate of 15.31% plus SOFR (SOFR floor of 2.42%) and the senior loan component bears interest at a base interest rate of 12.50%.
- (3) This loan is structured as a senior term loan and home construction revolver, of which the proceeds will be used to fund varying development projects. Under each credit facility, the borrower is able to re-draw funds after repayment through maturity.
- (4) The interest subtotal rate is a weighted average rate.

Loans Held for Investment at Carrying Value

As of September 30, 2024 and December 31, 2023, our portfolio included six and zero loans held at carrying value, respectively. The aggregate originated commitment under these loans was approximately \$121.6 million and zero, respectively, and outstanding principal was approximately \$97.5 million and zero, respectively, as of September 30, 2024 and December 31, 2023. During the nine months ended September 30, 2024, we funded approximately \$122.5 million of new loans and additional principal and had approximately \$24.9 million of principal repayments of loans held at carrying value. As of September 30, 2024 and December 31, 2023, approximately 72% and zero, respectively, of our loans held at carrying value had floating interest rates. As of September 30, 2024, these floating benchmark rates included one-month SOFR subject to a weighted average floor of 4.2% and quoted at 4.8%.

The following tables summarize our loans held at carrying value as of September 30, 2024:

	As of September 30, 2024			Weighted Average Remaining Life (Years) ⁽²⁾
	Outstanding Principal ⁽¹⁾	Original Issue Discount	Carrying Value ⁽¹⁾	
Senior mortgage loans ⁽³⁾	\$ 75,179,550	\$ (915,856)	\$ 74,263,694	2.7
Subordinate debt	22,367,562	(225,510)	22,142,052	2.6
Total loans held at carrying value	\$ 97,547,112	\$ (1,141,366)	\$ 96,405,746	2.6

(1) The difference between the Carrying Value and the Outstanding Principal amount of the loans consists of unaccreted OID and loan origination costs.

(2) Weighted average remaining life is calculated based on the carrying value of each respective group of loans as of September 30, 2024.

(3) Senior mortgage loans include senior loans that also have a contiguous subordinate loan because as a whole, the expected credit quality of the subordinate loan is more similar to that of a senior loan.

The following table presents changes in loans held at carrying value as of and for the nine months ended September 30, 2024:

	Principal	Original Issue Discount	Carrying Value
Total loans held at carrying value at December 31, 2023	\$ —	\$ —	\$ —
New fundings	120,031,341	(1,255,761)	118,775,580

Collateral Overview

Our loans are secured by various types of assets of our borrowers, including real property and certain personal property and other assets to the extent permitted by applicable laws and the regulations governing our borrowers.

Our debt investments will primarily be secured by real estate assets that are expected to be diversified across asset classes, including high quality residential, including multi-family, condominiums and single-family residential communities, retail, office, hospitality, industrial, mixed-use and specialty-use real estate.

Upon default of a loan, we may seek to sell the loan to a third party or have an affiliate or a third party work with the borrower to have the borrower sell collateral securing the loan to a third party or institute a foreclosure proceeding to have such collateral sold, in each case, to generate funds towards the payoff of the loan. While we believe that the appraised value of any real estate assets or other collateral securing our loans may impact the amount of the recovery in each such scenario, the amount of any such recovery from the sale of such real estate or other collateral may be less than the appraised value of such collateral and the sale of such collateral may not be sufficient to pay off the remaining balance on the defaulted loan. If we do not or cannot sell a foreclosed property, we would then come to own and operate it as “real estate owned.”

We may pursue a sale of a defaulted loan if we believe that a sale would yield higher proceeds or that a sale could be accomplished more quickly than a foreclosure proceeding while yielding proceeds comparable to what would be expected from a foreclosure sale. To the extent that we determine that the proceeds are more likely to be maximized through instituting a foreclosure sale or through taking title to the underlying collateral, we will be subject to the rules and regulations under state law that govern foreclosure sales. However, we can provide no assurances that a third party would buy such loans or that the sales price of such loans would be sufficient to recover the outstanding principal balance, accrued interest, and fees.

Liquidity and Capital Resources

Liquidity is a measure of our ability to meet potential cash requirements, including ongoing commitments to repay borrowings, fund and maintain our assets and operations, make distributions to our shareholders and meet other general business needs. We use significant cash to purchase our target investments, repay principal and interest on our borrowings, make distributions to our shareholders and fund our operations. The sources of financing for our target investments are described below.

Our primary sources of cash generally consist of net proceeds of future debt or equity offerings, debt financing, including borrowings under our Revolving Credit Facility, payments of principal and interest we receive on our portfolio of assets and cash generated from our operating results.

As of September 30, 2024 and December 31, 2023, all of our cash was unrestricted and totaled approximately \$70.2 million and \$31.2 million, respectively.

As of September 30, 2024, we believe that our cash on hand, capacity available under our Revolving Credit Facility and cash flows from operations will be sufficient to satisfy the operating requirements of our business through at least the next twelve months.

Capital Markets

Given the nature of our business, we constantly explore both the public and private capital markets to raise capital, subject to market and other considerations. We intend to raise future equity capital and issue debt securities in order to fund our future investments in loans.

Revolving Credit Facility

On September 26, 2024, we entered into the SRT Revolving Credit Facility with a \$50.0 million commitment, which may be borrowed, repaid and redrawn, subject to a draw fee and the other conditions provided in the Credit Agreement. Interest is payable on the SRT Revolving Credit Facility at 1-month SOFR (subject to a 3.0% floor) plus a margin of 2.75% (7.60% at September 30, 2024), with a maturity date of December 31, 2025. We did not incur any fees or costs related to the origination of the SRT Revolving Credit Facility, and the SRT Revolving Credit Facility does not have any unused fees. As of September 30, 2024, we drew on the full amount of the Revolving Credit Facility, resulting in \$50.0 million in outstanding borrowings and zero available for borrowing. The borrowings were subsequently repaid on October 1, 2024. The SRT Revolving Credit Facility was terminated on November 6, 2024.

The Revolving Credit Facility contains aggregate commitments of \$50.0 million, with a maturity date of November 8, 2027, which may be borrowed, repaid and redrawn (subject to a borrowing base based on eligible loan obligations held by us and subject to the satisfaction of other conditions provided under the Revolving Credit Facility). Interest is payable on the Revolving Credit Facility at the rate per annum of SOFR plus 2.75%, with a SOFR floor of 2.63%; provided, however, that the interest rate will increase by an additional 0.25% during any Increase Rate Month (as defined in the Revolving Credit Agreement).

The Company is required to pay certain fees to the agent and the lenders under the Revolving Credit Agreement, including a \$75,000 agent fee payable to the agent and an 0.25% per annum loan fee payable ratably to the lenders, in each case, payable on the closing date and on the annual anniversary thereafter. Commencing on the six-month anniversary of the closing date, the Revolving Credit Facility has an unused line fee of 0.25% per annum, payable semi-annually in arrears. Based on the terms of the Revolving Credit Agreement, the unused line fee is waived if our average cash balance exceeds the minimum balance required per the Revolving Credit Agreement.

The amount of total commitments under the Revolving Credit Facility may be increased to up to \$200.0 million in aggregate, subject to available borrowing base and lenders' willingness to provide additional commitments. The Revolving Credit Facility is guaranteed by certain material subsidiaries of the Company and is secured by substantially all assets of the Company and certain of its material subsidiaries; provided that upon the meeting of certain conditions, the facility will be secured only by certain assets of the Company comprising of or relating to loan obligations designed for inclusion in the borrowing base. In addition, the Company is subject to various financial and other covenants, including a liquidity and debt service coverage ratio covenant.

Other Credit Facilities, Warehouse Facilities and Repurchase Agreements

In the future, we may also use other sources of financing to fund the origination or acquisition of our target investments, including other credit facilities and other secured and unsecured forms of borrowing. These financings may be collateralized or non-collateralized and may involve one or more lenders. We expect that these facilities will typically have maturities ranging from two to five years and may accrue interest at either fixed or floating rates.

Cash Flows

The following table sets forth changes in cash and cash equivalents for the nine months ended September 30, 2024 and during the period from August 28, 2023 to September 30, 2023:

	Nine months ended September 30, 2024	Period from August 28, 2023 to September 30, 2023
Net cash provided by (used in) operating activities	\$ 2,685,307	\$ 7,767
Net cash (used in) provided by investing activities	(93,862,907)	—
Net cash provided by (used in) financing activities	130,104,097	21,000,000
Change in cash and cash equivalents	\$ 38,926,497	\$ 21,007,767

Net Cash Provided by (Used in) Operating Activities

Net cash provided by operating activities during the nine months ended September 30, 2024 was approximately \$2.7 million, compared to approximately \$7.8 thousand for the period from August 28, 2023 to September 30, 2023. The increase of approximately \$2.7 million during the period from August 28, 2023 to September 30, 2023 to the nine months ended September 30, 2024 was primarily due to an increase in net income of approximately \$5.0 million, partially offset by changes in net working capital. The most significant items in working capital were an increase in non-cash interest income capitalized of \$(2.4) million, an increase in interest receivable of approximately \$(1.0) million, increase in prepaid expenses and other assets of approximately \$(0.3) million, partially offset by an increase in accrued management and incentive fees of \$0.4 million, increase in accrued direct administrative expenses of \$0.5 million and increase in accounts payable and other liabilities of approximately \$0.3 million.

Net Cash (Used in) Provided by Investing Activities

Net cash used in investing activities during the nine months ended September 30, 2024 was approximately \$(93.9) million, compared to zero for the period from August 28, 2023 to September 30, 2023. The decrease of approximately \$(93.9) million was primarily due to an increase in issuance and fundings on loans of approximately \$(118.8) million, partially offset by an increase in principal repayments of loans of approximately \$24.9 million.

Net Cash Provided by (Used in) Financing Activities

Net cash provided by financing activities during the nine months ended September 30, 2024 was approximately \$130.1 million, compared to \$21.0 million for the period from August 28, 2023 to September 30, 2023. The increase of approximately \$109.1 million during the period from August 28, 2023 to September 30, 2023 to the nine months ended September 30, 2024 was primarily due to an increase in net transfers and distributions from our Former Parent of approximately \$59.1 million and an increase of \$50.0 million in borrowings on the revolving credit facility.

Contractual Obligations, Other Commitments, and Off-Balance Sheet Arrangements

Our contractual obligations as of September 30, 2024 are as follows:

	As of September 30, 2024				
	Less than 1 year	1-3 years	3-5 years	More than 5 years	Total
Unfunded commitments	\$ —	\$ 24,022,989	\$ —	\$ —	\$ 24,022,989
Total	\$ —	\$ 24,022,989	\$ —	\$ —	\$ 24,022,989

As of September 30, 2024, all unfunded commitments were related to our total loan commitments and were available for funding in less than three years.

We may enter into certain contracts that may contain a variety of indemnification obligations. The maximum potential future payment amounts we could be required to pay under these indemnification obligations may be unlimited.

Off-balance sheet commitments consist of unfunded commitments on delayed draw loans. Other than as set forth in this Quarterly Report, we do not have any relationships with unconsolidated entities or financial partnerships, such as entities often referred to as structured investment vehicles, special purpose entities or variable interest entities, established to facilitate off-balance sheet arrangements or other contractually narrow or limited purposes. Further, we have not guaranteed any obligations of unconsolidated entities or entered into any commitment to provide, nor do we intend to provide, additional funding to any such entities.

Dividends

We intend to elect to be taxed as a REIT for U.S. federal income tax purposes, commencing with the taxable year ending December 31, 2024, and, as such, intend to annually distribute to our shareholders at least 90% of our REIT taxable income, prior to the deduction for dividends paid and excluding our net capital gain. If we distribute less than 100% of our REIT taxable income in any tax year (taking into account any distributions made in a subsequent tax year under Sections 857(b)(9) or 858 of the Code), we will pay tax at regular corporate rates on that undistributed portion. Furthermore, if we distribute less than the sum of (i) 85% of our ordinary income for the calendar year, (ii) 95% of our capital gain net income for the calendar year and (iii) any undistributed shortfall from our prior calendar year (the "Required Distribution") to our shareholders during any calendar year (including any distributions declared by the last day of the calendar year but paid in the subsequent year), then we are required to pay non-deductible excise tax equal to 4% of any shortfall between the Required Distribution and the amount that was actually distributed. Any of these taxes would decrease cash available for distribution to our shareholders. The 90% distribution requirement does not require the distribution of net capital gains. However, if we elect to retain any of our net capital gain for any tax year, we must notify our shareholders and pay tax at regular corporate rates on the retained net capital gain. The shareholders must include their proportionate share of the retained net capital gain in their taxable income for the tax year, and they are deemed to have paid the REIT's tax on their proportionate share of the retained capital gain. Furthermore, such retained capital gain may be subject to the nondeductible 4% excise tax. If we determine that our estimated current year taxable income (including net capital gain) will be in excess of estimated dividend distributions (including capital gains dividends) for the current year from such income, we will accrue excise tax on a portion of the estimated excess taxable income as such taxable income is earned.

To the extent that our cash available for distribution is less than the amount required to be distributed under the REIT provisions of the Code, we may be required to fund distributions from working capital or through equity, equity-related or debt financings or, in certain circumstances, asset sales, as to which our ability to consummate transactions in a timely manner on favorable terms, or at all, cannot be assured, or we may make a portion of the Required Distribution in the form of a taxable stock distribution or distribution of debt securities.

Critical Accounting Policies and Estimates

There have been no significant changes in our critical accounting policies and estimates from what was previously disclosed in the Information Statement included as Exhibit 99.1 to the Company's Registration Statement on Form 10, the final version of which was included as Exhibit 99.1 to the Current Report on Form 8-K filed with the SEC on July 3, 2024. Many of these accounting policies require judgment and the use of estimates and assumptions when they are applied in the preparation of our financial statements. On a quarterly basis, we evaluate these estimates and judgments based on historical experience as well as other factors that we believe to be reasonable under the circumstances. These estimates are subject to change in the future if underlying assumptions or factors change. Certain accounting policies, while significant, may not require the use of estimates.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Risk Management

We intend for our investment mix to include high quality residential, including multi-family, condominiums and single-family residential communities, retail, office, hospitality, industrial, mixed-use and specialty-use real estate. We believe that SUNS Manager's rigorous investment process on our behalf will enable us to make investments with potential for value creation as we seek to provide capital to strong sponsors with readily executable business plans while endeavoring to implement significant downside protections.

The allocation of capital among our target assets will depend on prevailing market conditions at the time we invest, among other considerations, and may change over time in response to changes in market conditions, including with respect to interest rates and general economic and credit market conditions as well as local economic conditions in markets where we are active.

Changes in Fair Value of Our Assets

We generally hold our target investments as long-term loans; however, we may occasionally classify some of our loans as held for sale. We may carry our loans at fair value or carrying value in our balance sheets. As of September 30, 2024 and December 31, 2023, none of our loans held for investment were carried at fair value.

We evaluate our loans on a quarterly basis and fair value is determined by our Board of Directors through its independent Audit and Valuation Committee. We use an independent third-party valuation firm to provide input in the valuation of all of our unquoted investments, which we consider along with other various subjective and objective factors in making our evaluations.

Our loans are typically valued using a yield analysis, which is typically performed for non-credit impaired loans to borrowers. Alternative valuation methodologies may be used as appropriate, and can include a market analysis, income analysis, or recovery analysis. To determine fair value using a yield analysis, a current price is imputed for the loan based upon an assessment of the expected market yield for a similarly structured loan with a similar level of risk. In the yield analysis, we consider the current contractual interest rate, the maturity and other terms of the loan relative to risk of the borrower and the specific loan. A key determinant of risk, among other things, is the leverage through the loan relative to the enterprise value of the borrower. As loans held by us are substantially illiquid with no active transaction market, we depend on primary market data, including newly funded loans, as well as secondary market data with respect to high-yield debt instruments and syndicated loans, as inputs in determining the appropriate market yield, as applicable. Changes in market yields, recovery rates, and revenue multiples may change the fair value of certain of our loans. Generally, an increase in market yields may result in a decrease in the fair value of certain of our loans, while a decrease in revenue multiples and recovery rates may result in a decrease in the fair value of certain of our loans; however, this is mitigated to the extent our loans bear interest at a floating rate.

Due to the inherent uncertainty of determining the fair value of loans that do not have a readily available market value, the fair value of our loans may fluctuate from period to period. Additionally, the fair value of our loans may differ significantly from the values that would have been used had a ready market existed for such loans and may differ materially from the values that we may ultimately realize. Further, such loans are generally subject to legal and other restrictions on resale or otherwise are less liquid than publicly traded securities. If we were required to liquidate our investment in a loan in a forced or liquidation sale, we could realize significantly less than the value at which we had recorded such loan investment.

Changes in Market Interest Rates and Effect on Net Interest Income

Interest rates are highly sensitive to many factors, including fiscal and monetary policies and domestic and international economic and political considerations, as well as other factors beyond our control. We are subject to interest rate risk in connection with our assets and our related financing obligations.

Our operating results depend in large part on differences between the income earned on our assets and our cost of borrowing. The cost of our borrowings generally will be based on prevailing market interest rates. During a period of rising interest rates, our borrowing costs generally will increase (a) while the yields earned on our leveraged fixed-rate loan assets will remain static, and (b) at a faster pace than the yields earned on our leveraged floating-rate loan assets, which could result in a decline in our net interest spread and net interest margin. The severity of any such decline would depend on our asset/liability composition at the time as well as the magnitude and duration of the interest rate increase. Further, an increase in short-term interest rates could also have a negative impact on the market value of our target investments. If any of these events happen, we could experience a decrease in net income or incur a net loss during these periods, which could adversely affect our liquidity and results of operations.

We are exposed to market risks in the ordinary course of our business. These risks primarily relate to fluctuations in interest rates. Our loans are typically valued using a yield analysis, which is typically performed for non-credit impaired loans to borrowers. Alternative valuation methodologies may be used as appropriate, and can include a market analysis, income analysis, or recovery analysis. Changes in market yields, revenue multiples, and recovery rates may change the fair value of certain of our loans. Generally, an increase in market yields may result in a decrease in the fair value of certain of our loans, while a decrease in revenue multiples and recovery rates may result in a decrease in the fair value of certain of our loans; however, this is mitigated to the extent our loans bear interest at a floating rate. As of September 30, 2024, we had five floating-rate loans, representing approximately 72% of our portfolio based on aggregate outstanding principal balances. These floating benchmark rates included one-month SOFR subject to a weighted average floor of 4.2% and quoted at 4.8%. We estimate that a hypothetical 100 basis points increase in the floating benchmark rate would result in an increase in annual interest income of approximately \$0.7 million and a hypothetical 100 basis points decrease in the floating benchmark rate would result in a decrease in annual interest income of approximately \$(0.4) million.

Interest Rate Cap Risk

We originate both fixed and floating rate loans. These are assets in which the loans may be subject to periodic and lifetime interest rate caps and floors, which limit the amount by which the asset's interest yield may change during any given period. However, our future borrowing costs pursuant to our potential financing agreements may not be subject to similar restrictions. Therefore, in a period of increasing interest rates, interest rate costs on our borrowings could increase without limitation by caps, while the interest-rate yields on our floating-rate assets would effectively be limited. In addition, floating-rate assets may be subject to periodic payment caps that result in some portion of the interest being deferred and added to the principal outstanding. This could result in our receipt of cash income from such assets in an amount that is less than the amount that we would need to pay the interest cost on our related borrowings. These factors could lower our net interest income or cause a net loss during periods of rising interest rates, which would harm our financial condition, cash flows and results of operations.

Interest Rate Mismatch Risk

We may fund a portion of our origination of loans, or of loans that we may in the future acquire, with borrowings that are based on various benchmarks, while the interest rates on these assets may be fixed or indexed to SOFR, U.S. prime rate, or another index rate. Accordingly, any increase in an index rate will generally result in an increase in our borrowing costs that would not be matched by fixed-rate interest earnings and may not be matched by a corresponding increase in floating-rate interest earnings. Any such interest rate mismatch could adversely affect our profitability, which may negatively impact distributions to our shareholders.

Our analysis of risks is based on our Manager's experience, estimates, models and assumptions. These analyses rely on models which utilize estimates of fair value and interest rate sensitivity. Actual economic conditions or implementation of decisions by our Manager and our management may produce results that differ significantly from the estimates and assumptions used in our models and the projected results.

Credit Risk

We are subject to varying degrees of credit risk in connection with our loans and interest receivable. Our Manager seeks to mitigate this risk by seeking to originate loans, and may in the future acquire loans, of higher quality at appropriate prices given anticipated and unanticipated losses, by employing a comprehensive review and selection process and by proactively monitoring originated and acquired loans. Nevertheless, unanticipated credit losses could occur that could adversely impact our operating results.

We expect to be subject to varying degrees of credit risk in connection with holding our portfolio of loans. We will have exposure to credit risk on our commercial real estate loans and other targeted types of loans. Our Manager will seek to manage credit risk by performing deep credit fundamental analysis of potential assets and through the use of non-recourse financing, when and where available and appropriate.

Credit risk will also be addressed through our Manager's ongoing review, and loans will be monitored for variance from expected prepayments, defaults, severities, losses and cash flow on a quarterly basis.

Our Investment Guidelines are not subject to any limits or proportions with respect to the mix of target investments that we make or that we may in the future acquire other than as necessary to maintain our exemption from registration under the Investment Company Act and our qualification as a REIT. Our investment decisions will depend on prevailing market conditions and may change over time in response to opportunities available in different interest rate, economic and credit environments. As a result, we cannot predict the percentage of our capital that will be invested in any individual target investment at any given time.

Real Estate Risk

Commercial real estate loans are subject to volatility and may be affected adversely by a number of factors, including, but not limited to, national, regional and local economic conditions (which may be adversely affected by industry slowdowns and other factors); local real estate conditions; changes or continued weakness in specific industry segments; construction quality, age and design; demographic factors; and retroactive changes to building or similar codes. In addition, decreases in property values reduce the value of the collateral and the potential proceeds available to a borrower to repay the underlying loan or loans, as the case may be, which could also cause us to suffer losses.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

An evaluation of the effectiveness of the design and operation of our "disclosure controls and procedures" (as defined in Rule 13a-15(e) and 15(d)-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")), as of the end of the period covered by this Quarterly Report on Form 10-Q was made under the supervision and with the participation of our management, including our Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO"). Based upon this evaluation, our CEO and CFO have concluded that our disclosure controls and procedures (a) are effective to ensure that information required to be disclosed by us in reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified by the SEC rules and forms and (b) include, without limitation, controls and procedures designed to ensure that information required to be disclosed by us in reports filed or submitted under the Exchange Act is accumulated and communicated to our management, including our CEO and CFO, as appropriate to allow timely decisions regarding required disclosure.

There have been no changes in our internal control over financial reporting during the quarter ended September 30, 2024 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Item 5. Other Information

On November 6, 2024, the Company entered into the Revolving Credit Facility. The Revolving Credit Facility contains initial aggregate commitments of \$50.0 million from one or more FDIC-insured banking institutions, which may be borrowed, repaid and redrawn (subject to a borrowing base based on eligible loan obligations held by the Company and subject to the satisfaction of other conditions provided under the Revolving Credit Facility). Interest is payable on the Revolving Credit Facility in cash in arrears at the rate per annum of SOFR plus 2.75%, with a SOFR floor of 2.63%; provided, however, that the interest rate will increase by an additional 0.25% during any Increase Rate Month (as defined in the Revolving Credit Agreement).

The Company is required to pay certain fees to the agent and the lenders under the Revolving Credit Agreement, including a \$75,000 agent fee payable to the agent and an 0.25% per annum loan fee payable ratably to the lenders, in each case, payable on the closing date and on the annual anniversary thereafter. Commencing on the six-month anniversary of the closing date, the Revolving Credit Facility has an unused line fee of 0.25% per annum, payable semi-annually in arrears. Based on the terms of the Revolving Credit Agreement, the unused line fee is waived if our average cash balance exceeds the minimum balance required per the Revolving Credit Agreement.

The amount of total commitments under the Revolving Credit Facility may be increased to up to \$200.0 million in aggregate, subject to available borrowing base and lenders’ willingness to provide additional commitments. The Revolving Credit Facility is guaranteed by certain material subsidiaries of the Company and is secured by substantially all assets of the Company and certain of its material subsidiaries; provided that upon the meeting of certain conditions, the facility will be secured only by certain assets of the Company comprising of or relating to loan obligations designed for inclusion in the borrowing base. In addition, the Company is subject to various financial and other covenants, including a liquidity and debt service coverage ratio covenant.

Relationships

Certain of the lenders and their affiliates may in the future engage in investment banking, commercial banking and other financial advisory and commercial dealings with the Company and its affiliates.

SUNRISE REALTY TRUST, INC.
STOCK INCENTIVE PLAN
TERMS AND CONDITIONS OF RESTRICTED STOCK AWARD

1. **General.** These Terms and Conditions of Restricted Stock Award (these “**Terms**”) apply to a particular restricted stock grant (the “**Award**”) if incorporated by reference in the Notice of Restricted Stock Grant (the “**Grant Notice**”) corresponding to that particular grant. The recipient of the Award identified in the Grant Notice is referred to as the “**Participant**.” The effective date of grant of the Award as set forth in the Grant Notice is referred to as the “**Award Date**.” The number of Shares covered by the Award is subject to adjustment under Section 7.3.1 of the Plan.

The Award was granted under and subject to the Sunrise Realty Trust, Inc. Stock Incentive Plan (the “**Plan**”). Capitalized terms used but not defined herein have the meanings assigned to such terms in the Plan. The Award has been granted to the Participant in addition to, and not in lieu of, any other form of compensation otherwise payable or to be paid to the Participant. The Grant Notice and these Terms are collectively referred to as the “**Restricted Stock Award Agreement**” or “**Award Agreement**” applicable to the Award. For purposes of this Award Agreement, Sunrise Manager LLC, a Delaware limited liability company, shall be considered an Affiliate of the Corporation.

2. **Continuance of Employment or Service.** The vesting schedule requires continued employment or service through each applicable vesting date as a condition to the vesting of the applicable installment of the Award and the rights and benefits under this Award Agreement. Employment or service for only a portion of the vesting period, even if a substantial portion, will not entitle the Participant to any proportionate vesting or avoid or mitigate a termination of rights and benefits upon or following a termination of employment or services as provided in Section 6 below or under the Plan.

Nothing contained in this Award Agreement or the Plan constitutes an employment or service commitment by the Corporation or any Affiliate, affects the Participant’s status as an employee at will who is subject to termination without cause, confers upon the Participant any right to remain employed by or in service to the Corporation or any of its Affiliates, interferes in any way with the right of the Corporation or any of its Affiliates at any time to terminate such employment or services, or affects the right of the Corporation or any of its Affiliates to increase or decrease the Participant’s other compensation or benefits. Nothing in this Award Agreement, however, is intended to adversely affect any independent contractual right of the Participant without his or her consent thereto.

3. **Dividend and Voting Rights.** After the Award Date, the Participant shall be entitled to cash dividends and voting rights with respect to the shares of Restricted Stock subject to the Award even though such shares are not vested, provided that such rights shall terminate immediately as to any shares of Restricted Stock that are forfeited pursuant to Section 6 below.

4. **Restrictions on Transfer.** Prior to the time that they have become vested pursuant to the terms of the Grant Notice or Section 7.3 of the Plan, neither the Restricted Stock,

nor any interest therein, amount payable in respect thereof, or Restricted Property (as defined in Section 7 hereof) may be sold, assigned, transferred, pledged or otherwise disposed of, alienated or encumbered, either voluntarily or involuntarily. The transfer restrictions in the preceding sentence shall not apply to (a) transfers to the Corporation, or (b) transfers by will or the laws of descent and distribution.

5. Stock Certificates.

(a) Book Entry Form. The Corporation shall issue the shares of Restricted Stock subject to the Award either: (a) in certificate form as provided in Section 5(b) below; or (b) in book entry form, registered in the name of the Participant with notations regarding the applicable restrictions on transfer imposed under this Award Agreement.

(b) Certificates to be Held by Corporation; Legend. Any certificates representing Shares of Restricted Stock that may be delivered to the Participant by the Corporation prior to vesting shall be redelivered to the Corporation to be held by the Corporation until the restrictions on such Shares shall have lapsed and the Shares shall thereby have become vested or the Shares represented thereby have been forfeited hereunder. Such certificates shall bear the following legend and any other legends the Corporation may determine to be necessary or advisable to comply with all applicable laws, rules, and regulations:

“The ownership of this certificate and the shares of stock evidenced hereby and any interest therein are subject to substantial restrictions on transfer under an Agreement entered into between the registered owner and Sunrise Realty Trust, Inc. A copy of such Agreement is on file in the office of the Secretary of Sunrise Realty Trust, Inc.”

(c) Delivery of Certificates Upon Vesting. Promptly after the vesting of any shares of Restricted Stock pursuant to the terms of the Grant Notice or Section 7.3 of the Plan and the satisfaction of any and all related tax withholding obligations pursuant to Section 8, the Corporation shall, as applicable, either remove the notations on any shares of Restricted Stock issued in book entry form which have vested or deliver to the Participant a certificate or certificates evidencing the number of shares of Restricted Stock which have vested (or, in either case, such lesser number of shares as may result after giving effect to Section 8). The Participant (or the beneficiary or personal representative of the Participant in the event of the Participant’s death or disability, as the case may be) shall deliver to the Corporation any representations or other documents or assurances as the Corporation or its counsel may determine to be necessary or advisable in order to ensure compliance with all applicable laws, rules, and regulations with respect to the grant of the Award and the delivery of shares in respect thereof. The shares so delivered shall no longer be restricted shares hereunder.

(d) Stock Power; Power of Attorney. Concurrently with the execution and delivery of this Award Agreement, the Participant shall deliver to the Corporation an executed stock power in the form attached hereto as Exhibit A, in blank, with respect to such shares. The Corporation shall not deliver any share certificates in accordance with this Award Agreement unless and until the Corporation shall have received such stock power executed by the

Participant. The Participant, by acceptance of the Award, shall be deemed to appoint, and does so appoint by execution of this Award Agreement, the Corporation and each of its authorized representatives as the Participant's attorney(s)-in-fact to effect any transfer of unvested forfeited shares (or shares otherwise reacquired by the Corporation hereunder) to the Corporation as may be required pursuant to the Plan or this Award Agreement and to execute such documents as the Corporation or such representatives deem necessary or advisable in connection with any such transfer.

6. Effect of Termination of Employment or Services. If the Participant ceases to be employed by or ceases to provide services to the Corporation or an Affiliate such that the Participant experiences a Severance Date, the Participant's shares of Restricted Stock (and related Restricted Property as defined in Section 7 hereof) shall be forfeited to the Corporation to the extent such shares have not become vested pursuant to the terms of the Grant Notice or Section 7.3 of the Plan upon the Severance Date. Upon the occurrence of any forfeiture of shares of Restricted Stock hereunder, such unvested, forfeited shares and related Restricted Property shall be automatically transferred to the Corporation as of the Severance Date, without any other action by the Participant (or the Participant's beneficiary or personal representative in the event of the Participant's death or disability, as applicable). No consideration shall be paid by the Corporation with respect to such transfer. The Corporation may exercise its powers under Section 5(d) hereof and take any other action necessary or advisable to evidence such transfer. The Participant (or the Participant's beneficiary or personal representative in the event of the Participant's death or disability, as applicable) shall deliver any additional documents of transfer that the Corporation may request to confirm the transfer of such unvested, forfeited shares and related Restricted Property to the Corporation.

7. Adjustments Upon Specified Events. Upon the occurrence of certain events relating to the Corporation's stock contemplated by Section 7.3.1 of the Plan, the Administrator shall make adjustments in accordance with such section in the number and kind of securities that may become vested under the Award. If any adjustment shall be made under Section 7.3.1 of the Plan or an event described in Section 7 of the Plan shall occur and the shares of Restricted Stock are not fully vested upon such event or prior thereto, the restrictions applicable to such shares of Restricted Stock shall continue in effect with respect to any consideration, property or other securities (the "**Restricted Property**" and, for the purposes of this Award Agreement, "Restricted Stock" shall include "Restricted Property", unless the context otherwise requires) received in respect of such Restricted Stock. Such Restricted Property shall vest at such times and in such proportion as the shares of Restricted Stock to which the Restricted Property is attributable vest, or would have vested pursuant to the terms hereof if such shares of Restricted Stock had remained outstanding.

8. Tax Withholding. The Corporation or any Affiliate shall be entitled to require a cash payment by or on behalf of the Participant (including, without limitation, subject to such procedures as the Administrator may adopt, pursuant to a broker-assisted "cashless" arrangement with a third party who facilitates the sale of shares deliverable upon any payment of Restricted Stock) and/or to deduct from other compensation payable to the Participant any sums required by federal, state or local tax law to be withheld with respect to the grant, vesting or payment of the

Restricted Stock in whole or in part. The Corporation may, in its discretion, agree that it will, upon any payment of shares in respect of the Restricted Stock, automatically reduce the number of shares to be delivered by (or otherwise reacquire) the appropriate number of whole shares, valued at their then fair market value, to satisfy any withholding obligations of the Corporation or any Affiliate with respect to such distribution of Shares at the applicable withholding rates.

9. Notices. Any notice to be given under the terms of this Award Agreement shall be in writing and addressed to the Corporation at its principal office to the attention of the Secretary, and to the Participant at the Participant's last address reflected on the Corporation's records, or at such other address as either party may hereafter designate in writing to the other. Any such notice shall be given only when received, but if the Participant is no longer an employee of or in service to the Corporation, shall be deemed to have been duly given by the Corporation when enclosed in a properly sealed envelope addressed as aforesaid, registered or certified, and deposited (postage and registry or certification fee prepaid) in a post office or branch post office regularly maintained by the United States Government.

10. Plan. The Award and all rights of the Participant under this Award Agreement are subject to the terms and conditions of the provisions of the Plan, incorporated herein by reference. The Participant agrees to be bound by the terms of the Plan and this Award Agreement. The Participant acknowledges having read and understanding the Plan, the Prospectus for the Plan, and this Award Agreement. Unless otherwise expressly provided in other sections of this Award Agreement, provisions of the Plan that confer discretionary authority on the Administrator do not (and shall not be deemed to) create any rights in the Participant unless such rights are expressly set forth herein or are otherwise in the sole discretion of the Administrator so conferred by appropriate action of the Administrator under the Plan after the date hereof.

11. Entire Agreement. This Award Agreement and the Plan together constitute the entire agreement and supersede all prior understandings and agreements, written or oral, of the parties hereto with respect to the subject matter hereof. The Plan and this Award Agreement may be amended pursuant to Section 7.7 of the Plan. Such amendment must be in writing and signed by the Corporation. The Corporation may, however, unilaterally waive any provision hereof in writing to the extent such waiver does not adversely affect the interests of the Participant hereunder, but no such waiver shall operate as or be construed to be a subsequent waiver of the same provision or a waiver of any other provision hereof.

12. Counterparts; Electronic Signature. This Award Agreement may be signed and/or transmitted in one or more counterparts by facsimile, e-mail of a .PDF, .TIF, .GIF, .JPG or similar attachment or using electronic signature technology (e.g., via DocuSign or similar electronic signature technology), all of which will be considered one and the same agreement and will become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other parties, it being understood that all parties need not sign the same counterpart, and that any such signed electronic record shall be valid and as effective to bind the party so signing as a paper copy bearing such party's hand-written signature. To the extent a party signs this Award Agreement using electronic signature technology, by clicking

“sign,” “accept,” or similar acknowledgement of acceptance, such party is signing this Award Agreement electronically, and electronic signatures appearing on this Award Agreement (or entered as to this Award Agreement using electronic signature technology) shall be treated, for purposes of validity, enforceability and admissibility, the same as hand-written signatures.

13. Section Headings. The section headings of this Award Agreement are for convenience of reference only and shall not be deemed to alter or affect any provision hereof.

14. Governing Law. This Award Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Maryland without regard to conflict of law principles thereunder.

15. Clawback Policy. The Restricted Stock is subject to the terms of the Corporation’s recoupment, clawback or similar policy as it may be in effect from time to time, as well as any similar provisions of applicable law, any of which could in certain circumstances require repayment or forfeiture of the Restricted Stock or other cash or property received with respect to the Restricted Stock (including any value received from a disposition of the Restricted Stock).

16. No Advice Regarding Grant. The Participant is hereby advised to consult with his or her own tax, legal and/or investment advisors with respect to any advice the Participant may determine is needed or appropriate with respect to the Restricted Stock (including, without limitation, to determine the foreign, state, local, estate and/or gift tax consequences with respect to the Award, the advantages and disadvantages of making an election under Section 83(b) of the Code with respect to the Award, and the process and requirements for such an election). Neither the Corporation nor any of its officers, directors, affiliates or advisors makes any representation (except for the terms and conditions expressly set forth in this Award Agreement) or recommendation with respect to the Award or the making an election under Section 83(b) of the Code with respect to the Award. In the event the Participant desires to make an election under Section 83(b) of the Code with respect to the Award, it is the Participant’s sole responsibility to do so timely. Except for the withholding rights set forth in Section 8 above, the Participant is solely responsible for any and all tax liability that may arise with respect to the Award.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the Corporation has caused this Award Agreement to be executed on its behalf by a duly authorized officer and the Participant has hereunto set his or her hand as of the date and year first above written.

(b) Amounts borrowed pursuant to this Section 2.1 may be repaid and, subject to the terms and conditions of this Agreement, reborrowed at any time during the term of this Agreement. The outstanding principal amount of the Advances, together with interest accrued and unpaid thereon, shall constitute Obligations and shall be due and payable on the Maturity Date or, if earlier, on the date on which they otherwise become due and payable pursuant to the terms of this Agreement.

(c) Anything to the contrary in this Section 2.1 notwithstanding, Agent shall have the right (but not the obligation), to establish, increase, reduce, eliminate or otherwise adjust reserves from time to time against the Borrowing Base or the Maximum Revolver Amount, in such amounts, and with respect to such matters, as Agent in its Permitted Discretion shall deem necessary or appropriate, including (i) reserves in an amount equal to the Bank Product Reserves, and (ii) reserves with respect to (A) sums that Borrower or its Subsidiaries are required to pay under this Agreement or any other Loan Document (such as taxes, assessments, insurance premiums, or, in the case of leased assets, rents or other amounts payable under such leases) and has failed to pay when due, (B) amounts owing by Borrower or its Subsidiaries to any Person to the extent secured by a Lien on, or trust over, any of the Collateral (other than a Permitted Lien which is a permitted purchase money Lien or the interest of a lessor under a Capital Lease), which Lien or trust, in the Permitted Discretion of Agent likely would have a priority superior to Agent’s Liens (such as Liens or trusts in favor of landlords, warehousemen, carriers, mechanics, materialmen, laborers, or suppliers, or Liens or trusts for ad valorem, excise, sales, or other taxes where given priority under applicable law) in and to such item of the Collateral, (C) the valuation of any Obligor Loan Receivable, and (D) estimated expenses necessary to facilitate the orderly disposition of Collateral and wind-down of Borrower’s business after the occurrence and during the continuation of an Event of Default. The amount of any reserve established by Agent shall have a reasonable relationship to the event, condition, other circumstance, or fact that is the basis for such reserve and shall not be duplicative of any other reserve established and currently maintained.

2.2 Borrowing Procedures and Settlements.

(a) **Procedure for Borrowing.** Each Borrowing shall be made by a written request by an Authorized Person delivered to Agent (which may be delivered through Agent’s electronic platform or portal) and received by Agent no later than 11:00 a.m. (i) on the Business Day that is the requested Funding Date in the case of a request for a Swing Loan, and (ii) on the Business Day that is 1 Business Day prior to the requested Funding Date in the case of all other requests, specifying (A) the amount of such Borrowing, and (B) the requested Funding Date

(which shall be a Business Day); provided, that Agent may, in its sole discretion, elect to accept as timely requests that are received later than 11:00 a.m. on the applicable Business Day. All Borrowing requests which are not made on-line via Agent's electronic platform or portal shall be subject to (and unless Agent elects otherwise in the exercise of its sole discretion, such Borrowings shall not be made until the completion of) Agent's authentication process (with results satisfactory to Agent) prior to the funding of any such requested Borrowing.

(d) **Making of Swing Loans.** In the case of a request for an Advance and so long as either (i) the aggregate amount of Swing Loans made since the last Settlement Date, *minus* all payments or other amounts applied to Swing Loans since the last Settlement Date, plus the amount of the requested Swing Loan does not exceed \$10,000,000, or (ii) Swing Lender, in its sole discretion, agrees to make a Swing Loan notwithstanding the foregoing limitation, Swing Lender shall make an Advance (any such Advance made by Swing Lender pursuant to this Section 2.2(b) being referred to as a "Swing Loan" and all such Advances being referred to as "Swing Loans") available to Borrower on the Funding Date applicable thereto by transferring immediately available funds in the amount of such requested Borrowing to the Designated Account. Each Swing Loan shall be deemed to be an Advance hereunder and shall be subject to all the terms and conditions (including Section 3) applicable to other Advances, except that all payments (including interest) on any Swing Loan shall be payable to Swing Lender solely for its own account. Subject to the provisions of Section 2.2(d)(ii), Swing Lender shall not make and shall not be obligated to make any Swing Loan if Swing Lender has actual knowledge that (y) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing, or (z) the requested Borrowing would exceed the Availability on such Funding Date. Swing Lender shall not otherwise be required to determine whether the applicable conditions precedent set forth in Section 3 have been satisfied on the Funding Date applicable thereto prior to making any Swing Loan. The Swing Loans shall be secured by Agent's Liens, constitute Advances and Obligations, and bear interest at the rate applicable from time to time to Advances.

(e) **Making of Loans.**

(i) In the event that Swing Lender is not obligated to make a Swing Loan, then after receipt of a request for a Borrowing pursuant to Section 2.2(a), Agent shall notify the Lenders by telecopy, telephone, email, or other electronic form of transmission, of the requested Borrowing; such notification to be sent on the Business Day that is one Business Day prior to the requested Funding Date. If Agent has notified the Lenders of a requested Borrowing on the Business Day that is one Business Day prior to the Funding Date, then each Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, not later than 11:00 a.m. on the Business Day that is the requested Funding Date. After Agent's receipt of the proceeds of such Advances from the Lenders, Agent shall make the proceeds thereof available to Borrower on the applicable Funding Date by transferring immediately available funds equal to such proceeds received by Agent to the Designated Account; provided, that, subject to the provisions of Section 2.2(d)(ii), no Lender shall have an obligation to make any Advance, if (1) one or more of the applicable conditions precedent set forth in Section 3 will not be satisfied on the requested Funding Date for the applicable Borrowing unless such condition has been waived, or (2) the requested Borrowing would exceed the Availability on such Funding Date.

(ii) Unless Agent receives notice from a Lender prior to 9:30 a.m. on the Business Day that is the requested Funding Date relative to a requested Borrowing as to which Agent has notified the Lenders of a requested Borrowing that such Lender will not make available as and when required hereunder to Agent for the account of Borrower the amount of that Lender's Pro Rata Share of the Borrowing, Agent may assume that each Lender has made or will make such amount available to Agent in immediately available funds on the Funding Date and Agent may (but shall not be so required), in reliance upon such assumption, make available to Borrower a corresponding amount. If, on the requested Funding Date, any Lender shall not have remitted the full amount that it is required to make available to Agent in immediately available funds and if Agent has made available to Borrower such amount on the requested Funding Date, then such Lender shall make the amount of such Lender's Pro Rata

Share of the requested Borrowing available to Agent in immediately available funds, to Agent's Account, no later than 10:00 a.m. on the Business Day that is the first Business Day after the requested Funding Date (in which case, the interest accrued on such Lender's portion of such Borrowing for the Funding Date shall be for Agent's separate account). If any Lender shall not remit the full amount that it is required to make available to Agent in immediately available funds as and when required hereby and if Agent has made available to Borrower such amount, then that Lender shall be obligated to immediately remit such amount to Agent, together with interest at the Defaulting Lender Rate for each day until the date on which such amount is so remitted. A notice submitted by Agent to any Lender with respect to amounts owing under this Section 2.2(c)(ii) shall be conclusive, absent manifest error. If the amount that a Lender is required to remit is made available to Agent, then such payment to Agent shall constitute such Lender's Advance for all purposes of this Agreement. If such amount is not made available to Agent on the Business Day following the Funding Date, Agent will notify Borrower of such failure to fund and, upon demand by Agent, Borrower shall pay such amount to Agent for Agent's account, together with interest thereon for each day elapsed since the date of such Borrowing, at a rate per annum equal to the interest rate applicable at the time to the Advances composing such Borrowing.

(f) **Protective Advances and Optional Overadvances.**

(i) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.2(d)(iv), at any time (A) after the occurrence and during the continuation of a Default or an Event of Default, or (B) that any of the other applicable conditions precedent set forth in Section 3 are not satisfied, Agent hereby is authorized by Borrower and the Lenders, from time to time, in Agent's Permitted Discretion, to make Advances to, or for the benefit of, Borrower, on behalf of the Lenders, that Agent, in its Permitted Discretion, deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, or (2) to enhance the likelihood of repayment of the Obligations (other than the Bank Product Obligations) (the Advances described in this Section 2.2(d)(i) shall be referred to as "Protective Advances"). Borrower shall immediately repay such Protective Advance. Notwithstanding the foregoing, the aggregate amount of all Protective Advances outstanding at any one time shall not exceed \$10,000,000.

(ii) Any contrary provision of this Agreement or any other Loan Document notwithstanding, but subject to Section 2.2(d)(iv), the Lenders hereby authorize Agent or Swing Lender, as applicable, and either Agent or Swing Lender, as applicable, may, but is not obligated to, knowingly and intentionally, continue to make Advances (including Swing Loans) to Borrower notwithstanding that an Overadvance exists or would be created thereby, so long as (A) after giving effect to such Advances, the outstanding Revolver Usage does not exceed the Borrowing Base by more than \$10,000,000, and (B) subject to Section 2.2(d)(iv) below, after giving effect to such Advances, the outstanding Revolver Usage (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) does not exceed the Maximum Revolver Amount. In the event Agent obtains actual knowledge that the Revolver Usage exceeds the amounts permitted by this Section 2.2(d), regardless of the amount of, or reason for, such excess, Agent shall notify the Lenders as soon as practicable (and prior to making any (or any additional) intentional Overadvances (except for and excluding amounts charged to the Loan Account for interest, fees, or Lender Group Expenses) unless Agent determines that prior notice would result in imminent harm to the Collateral or its value, in which case Agent may make such Overadvances and provide notice as promptly as practicable thereafter), and the Lenders thereupon shall, together with Agent, jointly determine the terms of arrangements that shall be implemented with Borrower intended to reduce, within a reasonable time, the outstanding principal amount of the Advances to Borrower to an amount permitted by the preceding sentence. In such circumstances, if any Lender objects to the proposed terms of reduction or repayment of any Overadvance, the terms of reduction or repayment thereof shall be implemented according to the determination of the Required Lenders. In any event (x) if any Overadvance not otherwise made or permitted pursuant to this Section 2.2(d) remains outstanding for more than 30 days, unless otherwise agreed to by the Required Lenders, Borrower shall immediately repay Advance in an amount sufficient to eliminate all such Overadvances not otherwise made or permitted to this Section 2.2(d), and (y) after the date all such Overadvances have been eliminated, there must be at least five consecutive days before additional Advance are made pursuant to

this Section 2.2(d)(ii). The foregoing provisions are meant for the benefit of the Lenders and Agent and are not meant for the benefit of Borrower, which shall continue to be bound by the provisions of Section 2.4. Each Lender shall be obligated to settle with Agent as provided in Section 2.2(e) (or Section 2.2(g), as applicable) for the amount of such Lender's Pro Rata Share of any unintentional Overadvances by Agent reported to such Lender, any intentional Overadvances made as permitted under this Section 2.2(d)(ii), and any Overadvances resulting from the charging to the Loan Account of interest, fees, or Lender Group Expenses.

(iii) Each Protective Advance and each Overadvance (each, an "Extraordinary Advance") shall be deemed to be an Advance hereunder. Prior to Settlement of any Extraordinary Advance, all payments with respect thereto, including interest thereon, shall be payable to Agent solely for its own account. Each Lender shall be obligated to settle with Agent as provided in Section 2.2(e) (or Section 2.2(g), as applicable) for the amount of such Lender's Pro Rata Share of any Extraordinary Advance. The Extraordinary Advances shall be repayable on demand, secured by Agent's Liens, constitute Obligations hereunder, and bear interest at the rate applicable from time to time to Advances. The provisions of this Section 2.2(d) are for the exclusive benefit of Agent, Swing Lender, and the Lenders and are not intended to benefit Borrower (or any other Loan Party) in any way.

(iv) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary: (A) no Extraordinary Advance may be made by Agent if such Extraordinary Advance would cause the aggregate principal amount of Extraordinary Advances outstanding to exceed an amount equal to 10% of the Maximum Revolver Amount; and (B) to the extent that the making of any Extraordinary Advance causes the aggregate Revolver Usage to exceed the Maximum Revolver Amount, such portion of such Extraordinary Advance shall be for Agent's sole and separate account and not for the account of any Lender and shall be entitled to priority in repayment in accordance with Section 2.3(b).

(g) **Settlement.** It is agreed that each Lender's funded portion of the Advances is intended by the Lenders to equal, at all times, such Lender's Pro Rata Share of the outstanding Advances. Such agreement notwithstanding, Agent, Swing Lender, and the other Lenders agree (which agreement shall not be for the benefit of Borrower) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among the Lenders as to the Advances, the Swing Loans, and the Extraordinary Advances shall take place on a periodic basis in accordance with the following provisions:

(i) Agent shall request settlement ("Settlement") with the Lenders on a weekly basis, or on a more frequent basis if so determined by Agent in its sole discretion (1) on behalf of Swing Lender, with respect to the outstanding Swing Loans, (2) for itself, with respect to the outstanding Extraordinary Advances, and (3) with respect to Borrower's or its Subsidiaries' payments or other amounts received, as to each by notifying the Lenders by telecopy, telephone, or other similar form of transmission, of such requested Settlement, no later than 2:00 p.m. on the Business Day immediately prior to the date of such requested Settlement (the date of such requested Settlement being the "Settlement Date"). Such notice of a Settlement Date shall include a summary statement of the amount of outstanding Advances, Swing Loans, and Extraordinary Advances for the period since the prior Settlement Date. Subject to the terms and conditions contained herein (including Section 2.2(g)): (y) if the amount of the Advances (including Swing Loans, and Extraordinary Advances) made by a Lender that is not a Defaulting Lender exceeds such Lender's Pro Rata Share of the Advances (including Swing Loans, and Extraordinary Advances) as of a Settlement Date, then Agent shall, by no later than 12:00 p.m. on the Settlement Date, transfer in immediately available funds to a Deposit Account of such Lender (as such Lender may designate), an amount such that each such Lender shall, upon receipt of such amount, have as of the Settlement Date, its Pro Rata Share of the Advances (including Swing Loans, and Extraordinary Advances), and (z) if the amount of the Advances (including Swing Loans, and Extraordinary Advances) made by a Lender is less than such Lender's Pro Rata Share of the Advances (including Swing Loans, and Extraordinary Advances) as of a Settlement Date, such Lender shall no later than 12:00 p.m. on the Settlement Date transfer in immediately available funds to Agent's Account, an amount such that each such Lender shall, upon transfer of such amount, have as of the Settlement Date,

its Pro Rata Share of the Advances (including Swing Loans and Extraordinary Advances). Such amounts made available to Agent under clause (z) of the immediately preceding sentence shall be applied against the amounts of the applicable Swing Loans or Extraordinary Advances and, together with the portion of such Swing Loans or Extraordinary Advances representing Swing Lender's Pro Rata Share thereof, shall constitute Advances of such Lenders. If any such amount is not made available to Agent by any Lender on the Settlement Date applicable thereto to the extent required by the terms hereof, Agent shall be entitled to recover for its account such amount on demand from such Lender together with interest thereon at the Defaulting Lender Rate.

(ii) In determining whether a Lender's balance of the Advances, Swing Loans, and Extraordinary Advances is less than, equal to, or greater than such Lender's Pro Rata Share of the Advances, Swing Loans, and Extraordinary Advances as of a Settlement Date, Agent shall, as part of the relevant Settlement, apply to such balance the portion of payments actually received in good funds by Agent with respect to principal, interest, fees payable by Borrower and allocable to the Lenders hereunder, and proceeds of Collateral.

(iii) Between Settlement Dates, Agent, to the extent Extraordinary Advances or Swing Loans are outstanding, may pay over to Agent or Swing Lender, as applicable, any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Advances, for application to the Extraordinary Advances or Swing Loans. Between Settlement Dates, Agent, to the extent no Extraordinary Advances or Swing Loans are outstanding, may pay over to Swing Lender any payments or other amounts received by Agent, that in accordance with the terms of this Agreement would be applied to the reduction of the Advances, for application to Swing Lender's Pro Rata Share of the Advances. If, as of any Settlement Date, payments or other amounts of Borrower or its Subsidiaries received since the then immediately preceding Settlement Date have been applied to Swing Lender's Pro Rata Share of the Advances other than to Swing Loans, as provided for in the previous sentence, Swing Lender shall pay to Agent for the accounts of the Lenders, and Agent shall pay to the Lenders (other than a Defaulting Lender if Agent has implemented the provisions of Section 2.2(g)), to be applied to the outstanding Advances of such Lenders, an amount such that each such Lender shall, upon receipt of such amount, have, as of such Settlement Date, its Pro Rata Share of the Advances. During the period between Settlement Dates, Swing Lender with respect to Swing Loans, Agent with respect to Extraordinary Advances, and each Lender with respect to the Advances other than Swing Loans and Extraordinary Advances, shall be entitled to interest at the applicable rate or rates payable under this Agreement on the daily amount of funds employed by Swing Lender, Agent, or the Lenders, as applicable.

(iv) Anything in this Section 2.2(e) to the contrary notwithstanding, in the event that a Lender is a Defaulting Lender, Agent shall be entitled to refrain from remitting settlement amounts to the Defaulting Lender and, instead, shall be entitled to elect to implement the provisions set forth in Section 2.2(g).

(h) **Notation.** Agent, as a non-fiduciary agent for Borrower, shall maintain a register showing the principal amount and stated interest of the Advances owing to each Lender, including the Swing Loans owing to Swing Lender, and Extraordinary Advances owing to Agent, and the interests therein of each Lender, from time to time and such register shall, absent manifest error, conclusively be presumed to be correct and accurate.

(i) **Defaulting Lenders.**

(i) Notwithstanding the provisions of Section 2.3(b)(ii), Agent shall not be obligated to transfer to a Defaulting Lender any payments made by Borrower to Agent for the Defaulting Lender's benefit or any proceeds of Collateral that would otherwise be remitted hereunder to the Defaulting Lender, and, in the absence of such transfer to the Defaulting Lender, Agent shall transfer any such payments (A) first, to Agent to the extent of any Extraordinary Advances that were made by Agent and that were required to be, but were not, paid by such Defaulting Lender, (B) second, to Swing Lender to the extent of any Swing Loans that were made by Swing Lender and that were required to be, but were not, paid by the Defaulting Lender, (C) third, [Reserved], (D) fourth, to each Non-Defaulting Lender ratably in accordance with their Commitments (but, in each case, only to the extent that such Defaulting Lender's portion of an Advance (or other funding obligation) was funded by such other Non-

Defaulting Lender), (E) fifth, in Agent's sole discretion, to a suspense account maintained by Agent, the proceeds of which shall be retained by Agent and may be made available to be re-advanced to or for the benefit of Borrower (upon the request of Borrower and subject to the conditions set forth in Section 3.4) as if such Defaulting Lender had made its portion of Advances (or other funding obligations) hereunder, and (F) sixth, from and after the date on which all other Obligations have been paid in full, to such Defaulting Lender in accordance with tier (L) of Section 2.3(b)(ii). Subject to the foregoing, Agent may hold and, in its discretion, re-lend to Borrower for the account of such Defaulting Lender the amount of all such payments received and retained by Agent for the account of such Defaulting Lender. Solely for the purposes of voting or consenting to matters with respect to the Loan Documents (including the calculation of Pro Rata Share in connection therewith) and for the purpose of calculating the fee payable under Section 2.9(b), such Defaulting Lender shall be deemed not to be a "Lender" and such Lender's Commitment shall be deemed to be zero; provided, that the foregoing shall not apply to any of the matters governed by Section 15.1(a)(i) through (iii). The provisions of this Section 2.2(g) shall remain effective with respect to such Defaulting Lender until the earlier of (y) the date on which all of the Non-Defaulting Lenders, Agent, and Borrower shall have waived, in writing, the application of this Section 2.2(g) to such Defaulting Lender, or (z) the date on which such Defaulting Lender makes payment of all amounts that it was obligated to fund hereunder, pays to Agent all amounts owing by Defaulting Lender in respect of the amounts that it was obligated to fund hereunder, and, if requested by Agent, provides adequate assurance of its ability to perform its future obligations hereunder (on which earlier date, so long as no Event of Default has occurred and is continuing, any remaining cash collateral held by Agent pursuant to Section 2.2(g)(ii) shall be released to Borrower). The operation of this Section 2.2(g) shall not be construed to increase or otherwise affect the Commitment of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by Borrower of its duties and obligations hereunder to Agent or to the Lenders other than such Defaulting Lender. Any failure by a Defaulting Lender to fund amounts that it was obligated to fund hereunder shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle Borrower, at its option, upon written notice to Agent, to arrange for a substitute Lender to assume the Commitment of such Defaulting Lender, such substitute Lender to be reasonably acceptable to Agent. In connection with the arrangement of such a substitute Lender, the Defaulting Lender shall have no right to refuse to be replaced hereunder, and agrees to execute and deliver a completed form of Assignment and Acceptance in favor of the substitute Lender (and agrees that it shall be deemed to have executed and delivered such document if it fails to do so) subject only to being paid its share of the outstanding Obligations (other than Bank Product Obligations, but including all interest, fees, and other amounts that may be due and payable in respect thereof); provided, that any such assumption of the Commitment of such Defaulting Lender shall not be deemed to constitute a waiver of any of the Lender Groups' or Borrower's rights or remedies against any such Defaulting Lender arising out of or in relation to such failure to fund. In the event of a direct conflict between the priority provisions of this Section 2.2(g) and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.2(g) shall control and govern.

(ii) If any Swing Loan is outstanding at the time that a Lender becomes a Defaulting Lender then:

(A) such Defaulting Lender's Swing Loan Exposure shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares but only to the extent (x) the sum of all Non-Defaulting Lenders' Advance Exposures plus such Defaulting Lender's Swing Loan Exposure does not exceed the total of all Non-Defaulting Lenders' Commitments and (y) the conditions set forth in Section 3.4 are satisfied at such time;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, Borrower shall within one Business Day following notice by the Agent, prepay such

Defaulting Lender's Swing Loan Exposure (after giving effect to any partial reallocation pursuant to clause (A) above);

- (C) [Reserved];
- (D) [Reserved];
- (E) [Reserved]; and

(F) so long as any Lender is a Defaulting Lender, the Swing Lender shall not be required to make any Swing Loan to the extent (x) the Defaulting Lender's Pro Rata Share of such Swing Loans cannot be reallocated pursuant to this Section 2.2(g)(ii) or (y) the Swing Lender has not otherwise entered into arrangements reasonably satisfactory to the Swing Lender and Borrower to eliminate the Swing Lender's risk with respect to the Defaulting Lender's participation in Swing Loans.

(j) **Independent Obligations.** All Advances (other than Swing Loans and Extraordinary Advances) shall be made by the Lenders contemporaneously and in accordance with their Pro Rata Shares. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any Advance (or other extension of credit) hereunder, nor shall any Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligations hereunder, and (ii) no failure by any Lender to perform its obligations hereunder shall excuse any other Lender from its obligations hereunder.

2.3 **Payments; Reductions of Commitments.**

(a) **Payments by Borrower.**

(i) Except as otherwise expressly provided herein, all payments by Borrower shall be made to Agent's Account for the account of the Lender Group and shall be made in immediately available funds, no later than 1:30 p.m. on the date specified herein. Any payment received by Agent in immediately available funds in Agent's Account later than 1:30 p.m. shall be deemed to have been received (unless Agent, in its sole discretion, elects to credit it on the date received) on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day.

(ii) Unless Agent receives notice from Borrower prior to the date on which any payment is due to the Lenders that Borrower will not make such payment in full as and when required, Agent may assume that Borrower has made (or will make) such payment in full to Agent on such date in immediately available funds and Agent may (but shall not be so required), in reliance upon such assumption, distribute to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent Borrower does not make such payment in full to Agent on the date when due, each Lender severally shall repay to Agent on demand such amount distributed to such Lender, together with interest thereon at the Defaulting Lender Rate for each day from the date such amount is distributed to such Lender until the date repaid.

(k) **Apportionment and Application.**

(i) So long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all principal and interest payments received by Agent shall be apportioned ratably among the Lenders (according to the unpaid principal balance of the Obligations to which such payments relate held by each Lender) and all payments of fees and expenses received by Agent (other than fees or expenses that are for Agent's separate account) shall be apportioned ratably among the Lenders having a Pro Rata Share of the type of Commitment or Obligation to which a particular fee or expense relates. Subject to Section 2.3(b)(iv), all payments to be made hereunder by Borrower shall be remitted to Agent and all such payments, and all proceeds of Collateral received by Agent, shall be applied, so long as no Application Event has

occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, to reduce the balance of the Advances outstanding and, thereafter, to Borrower (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(ii) At any time that an Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all payments remitted to Agent and all proceeds of Collateral received by Agent shall be applied as follows:

(A) first, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to Agent under the Loan Documents, until paid in full,

(B) second, to pay any fees or premiums then due to Agent under the Loan Documents until paid in full,

(C) third, to pay interest due in respect of all Protective Advances until paid in full,

(D) fourth, to pay the principal of all Protective Advances until paid in full,

(E) fifth, ratably, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to any of the Lenders under the Loan Documents, until paid in full,

(F) sixth, ratably, to pay any fees or premiums then due to any of the Lenders under the Loan Documents until paid in full,

(G) seventh, to pay interest accrued in respect of the Swing Loans until paid in full,

(H) eighth, to pay the principal of all Swing Loans until paid in full,

(I) ninth, ratably, to pay interest accrued in respect of the Advances (other than Protective Advances and Swing Loans) until paid in full,

(J) tenth, ratably

(1) to pay the principal of all Advances until paid in full,

(2) [Reserved],

(3) ratably, up to the amount (after taking into account any amounts previously paid pursuant to this clause (3) during the continuation of the applicable Application Event) of the most recently established Bank Product Reserves to (y) the Bank Product Provider based upon amounts then certified by the Bank Product Provider to Agent (in form and substance satisfactory to Agent) to be due and payable to the Bank Product Provider on account of Bank Product Obligations, and (z) with any balance to be paid to Agent, to be held by Agent, for the ratable benefit of the Bank Product Providers, as cash collateral (which cash collateral may be released by Agent to the applicable Bank Product Provider and applied by such Bank Product Provider to the payment or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the applicable Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all such Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.3(b)(ii), beginning with tier (A) hereof),

(K) eleventh, to pay any other Obligations other than Obligations owed to Defaulting Lenders (including being paid to the Bank Product Provider on account of all amounts then due and payable in respect of Bank Product Obligations), with any balance to be paid to Agent, to be held by Agent, for the benefit of the Bank Product Provider, as cash collateral (which cash collateral may be released by Agent to the Bank Product Provider and applied by Bank Product Provider to the payment or reimbursement of any amounts due and payable with respect to Bank Product Obligations owed to the Bank Product Provider as and when such amounts first become due and payable and, if and at such time as all Bank Product Obligations are paid or otherwise satisfied in full, the cash collateral held by Agent in respect of such Bank Product Obligations shall be reapplied pursuant to this Section 2.3(b)(ii), beginning with tier (A) hereof),

(L) twelfth, ratably to pay any Obligations owed to Defaulting Lenders; and

(M) thirteenth, to Borrower (to be wired to the Designated Account) or such other Person entitled thereto under applicable law.

(iii) Agent promptly shall distribute to each Lender, pursuant to the applicable wire instructions received from each Lender in writing, such funds as it may be entitled to receive, subject to a Settlement delay as provided in Section 2.2(e).

(iv) In each instance, so long as no Application Event has occurred and is continuing, Section 2.3(b)(i) shall not apply to any payment made by Borrower to Agent and specified by Borrower to be for the payment of specific Obligations then due and payable (or prepayable) under any provision of this Agreement or any other Loan Document.

(v) For purposes of Section 2.3(b)(ii), “paid in full” of a type of Obligation means payment in cash or immediately available funds of all amounts owing on account of such type of Obligation, including interest accrued after the commencement of any Insolvency Proceeding, default interest, interest on interest, and expense reimbursements, irrespective of whether any of the foregoing would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(vi) In the event of a direct conflict between the priority provisions of this Section 2.3 and any other provision contained in this Agreement or any other Loan Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, if the conflict relates to the provisions of Section 2.2(g) and this Section 2.3, then the provisions of Section 2.2(g) shall control and govern, and if otherwise, then the terms and provisions of this Section 2.3 shall control and govern.

(l) **Reduction of Commitments.** The Commitments shall terminate on the Maturity Date or earlier termination thereof pursuant to the terms of this Agreement. Borrower may reduce the Commitments to an amount (which may be zero) not less than the sum of (A) the Revolver Usage as of such date, *plus* (B) the principal amount of all Advances not yet made as to which a request has been given by Borrower under Section 2.2(a). Each such reduction shall be in an amount which is not less than \$1,000,000 (unless the Commitments are being reduced to zero and the amount of the Commitments in effect immediately prior to such reduction are less than \$1,000,000), shall be made by providing not less than ten Business Days prior written notice to Agent, and shall be irrevocable. The Commitments, once reduced, may not be increased. Each such reduction of the Commitments shall reduce the Commitments of each Lender proportionately in accordance with its ratable share thereof. In connection with any reduction in the Commitments prior to the Maturity Date, if any Loan Party or any of its Subsidiaries owns any Margin Stock, Borrower shall deliver to Agent an updated Form U-1 (with sufficient additional originals thereof for each Lender), duly executed and delivered by Borrower, together with such other documentation as Agent shall reasonably request, in order to enable Agent and the Lenders to comply with any of the requirements under Regulations T, U or X of the Federal Reserve Board.

2.4 **Overadvances; Promise to Pay.**

(a) **Overadvances.** If, at any time or for any reason, the amount of Obligations (other than Bank Product Obligations) owed by Borrower to the Lender Group pursuant to Section 2.1 or Section 2.10 is greater than any of the limitations set forth in Section 2.1 or Section 2.10, as applicable (an “Overadvance”), Borrower immediately shall pay to Agent, in cash, the amount of such excess, which amount shall be used by Agent to reduce the Obligations in accordance with the priorities set forth in Section 2.3(b).

(m) **Promise to Pay.** Borrower agrees to pay the Lender Group Expenses on the earlier of (a) the first day of the month following the date on which the applicable Lender Group Expenses were first incurred or (b) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of Section 2.5(d) shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (b)). Borrower promises to pay all of the Obligations (including principal, interest, premiums, if any, fees, costs, and expenses (including Lender Group Expenses)) in full on the Maturity Date or, if earlier, on the date on which the Obligations (other than the Bank Product Obligations) become due and payable pursuant to the terms of this Agreement. Borrower agrees that its obligations contained in the first sentence of this Section 2.4 shall survive payment or satisfaction in full of all other Obligations.

2.5 **Interest Rates: Rates, Payments, and Calculations**

(a) **Interest Rates.** Except as provided in Section 2.5(c), all Obligations that have been charged to the Loan Account pursuant to the terms hereof shall bear interest at a *per annum* rate equal to the lesser of (i) the Applicable Interest Rate, or (ii) the maximum rate of interest allowed by applicable laws.

(n) **Late Charges.** To the extent permitted by applicable laws, the Agent or the Required Lenders shall have the right to assess, and Borrower shall pay, a late fee if any principal, interest, or fees under this Agreement are not paid within ten (10) days after their due date, and in such a case, the late charge shall be in an amount equal to the greater of Five Dollars (\$5.00) or six percent (6%) of the amount not timely paid.

(o) **Default Rate.** Upon the occurrence and during the continuation of an Event of Default and at the election of Agent or the Required Lenders, all Obligations that have been charged to the Loan Account pursuant to the terms hereof shall bear interest at a *per annum* rate equal to 5 percentage points above the *per annum* rate otherwise applicable thereunder, and

(p) **Payment.** Except to the extent provided to the contrary in Section 2.9, (i) all interest and all other fees payable hereunder or under any of the other Loan Documents shall be due and payable, in arrears, on the first day of each month; (ii) [Reserved]; and (iii) all costs and expenses payable hereunder or under any of the other Loan Documents, and all other Lender Group Expenses shall be due and payable on (x) with respect to Lender Group Expenses outstanding as of the Closing Date, the Closing Date, and (y) otherwise, the earlier of (A) the first day of the month following the date on which the applicable costs, expenses, or Lender Group Expenses were first incurred or (B) the date on which demand therefor is made by Agent (it being acknowledged and agreed that any charging of such costs, expenses or Lender Group Expenses to the Loan Account pursuant to the provisions of the following sentence shall be deemed to constitute a demand for payment thereof for the purposes of this subclause (y)). Borrower hereby authorizes Agent, from time to time without prior notice to Borrower (other than in the case of clauses (F) and (G), which shall require prior notice), to charge to the Loan Account (A) on the first day of each month, all interest accrued during the prior month on the Advances hereunder, (B) [Reserved], (C) as and when incurred or accrued, all fees and costs provided for in Section 2.9(a), (D) on the first day of each month, the Unused Line Fee accrued during the prior month pursuant to Section 2.9(b), (E) as and when due and payable, all other fees payable hereunder or under any of the other Loan Documents, (F) on the Closing Date and thereafter as and when incurred or accrued, all other Lender Group Expenses, and (G) as and when due and payable all other payment obligations payable under any Loan Document or any Bank Product Agreement (including any

amounts due and payable to the Bank Product Providers in respect of Bank Products). All amounts (including interest, fees, costs, expenses, Lender Group Expenses, or other amounts payable hereunder or under any other Loan Document or under any Bank Product Agreement) charged to the Loan Account shall thereupon constitute Advances hereunder to the extent properly charged in accordance with the foregoing, shall constitute Obligations hereunder, and shall accrue interest at the rate then applicable to Advances, in each case to the extent properly so charged in accordance with the foregoing and the other applicable provisions of this Agreement.

(a) **Computation.** All interest and fees chargeable under the Loan Documents shall be computed on the basis of a 360 day year, in each case, for the actual number of days elapsed in the period during which the interest or fees accrue. In the event the Base Rate is changed from time to time hereafter, the rates of interest hereunder based upon the Base Rate automatically and immediately shall be increased or decreased by an amount equal to such change in the Base Rate.

(b) **Intent to Limit Charges to Maximum Lawful Rate.** In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Borrower and the Lender Group, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, that, anything contained herein to the contrary notwithstanding, if such rate or rates of interest or manner of payment exceeds the maximum allowable under applicable law, then, *ipso facto*, as of the date of this Agreement, Borrower is and shall be liable only for the payment of such maximum amount as is allowed by law, and payment received from Borrower in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Obligations to the extent of such excess.

(c) **Inability to Determine SOFR.** Notwithstanding anything herein to the contrary, in the event that (i) SOFR is permanently or indefinitely unavailable or unascertainable, (ii) SOFR can no longer be lawfully relied upon in contracts of this nature by one or both of the parties, or (iii) SOFR does not accurately and fairly reflect the cost of making or maintaining the type of loans or advances under this Agreement and in any such case, such circumstances are unlikely to be temporary, then all references to the interest rate herein will instead be to a replacement rate determined by Agent in its sole judgment, including any adjustment to the replacement rate to reflect a different credit spread, term or other mathematical adjustment deemed necessary by Agent in its sole judgment. Agent will provide reasonable notice to Borrower of such replacement rate, which will be effective on the date of the earliest event set forth in clauses (i)-(iii) of this paragraph. If there is any ambiguity as to the date of occurrence of any such event, Agent's judgment will be dispositive. Agent may also from time to time, in Agent's sole discretion, make any technical, administrative or operational changes (including changes to the timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length or applicability of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) ("Conforming Changes") that Agent decides may be appropriate to reflect the adoption and implementation of such replacement rate and to permit the administration of the loans by Agent in an administratively and operationally practicable manner. If there is any ambiguity as to the date of occurrence of any such event, Agent's judgment will be dispositive. Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the administration of, submission of, calculation of or any other matter related to any replacement rate, any component definition thereof or rates referenced in the definition thereof or any alternative, comparable or successor rate thereto, including whether the composition or characteristics of any such alternative, comparable or successor rate will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as the immediately preceding interest index rate or any other interest rate index, or (b) the effect, implementation or composition of any Conforming Changes

2.6 **Crediting Payments.** The receipt of any payment item by Agent shall not be required to be considered a payment on account unless such payment item is a wire transfer of immediately available federal

funds made to Agent's Account or unless and until such payment item is honored when presented for payment. Should any payment item not be honored when presented for payment, then Borrower shall be deemed not to have made such payment. Anything to the contrary contained herein notwithstanding, any payment item shall be deemed received by Agent only if it is received into Agent's Account on a Business Day on or before 1:30 p.m. If any payment item is received into Agent's Account on a non-Business Day or after 1:30 p.m. on a Business Day (unless Agent, in its sole discretion, elects to credit it on the date received), it shall be deemed to have been received by Agent as of the opening of business on the immediately following Business Day.

2.7 **Designated Account.** Agent is authorized to make the Advances under this Agreement based upon telephonic or other instructions received from anyone purporting to be an Authorized Person or, without instructions, if pursuant to Section 2.2(d). Borrower agrees to establish and maintain the Designated Account with the Designated Account Bank for the purpose of receiving the proceeds of the Advances requested by Borrower and made by Agent or the Lenders hereunder. Unless otherwise agreed by Agent and Borrower, any Advance or Swing Loan requested by Borrower and made by Agent or the Lenders hereunder shall be made to the Designated Account.

2.8 **Maintenance of Loan Account; Statements of Obligations.** Agent shall maintain an account on its books in the name of Borrower (the "Loan Account") on which Borrower will be charged with all Advances (including Extraordinary Advances and Swing Loans) made by Agent, Swing Lender, or the Lenders to Borrower or for Borrower's account, and with all other payment Obligations hereunder or under the other Loan Documents, including, accrued interest, fees and expenses, and Lender Group Expenses. In accordance with Section 2.6, the Loan Account will be credited with all payments received by Agent from Borrower or for Borrower's account. Agent shall make available to Borrower monthly statements regarding the Loan Account, including the principal amount of the Advances, interest accrued hereunder, fees accrued or charged hereunder or under the other Loan Documents, and a summary itemization of all charges and expenses constituting Lender Group Expenses accrued hereunder or under the other Loan Documents, and each such statement, absent manifest error, shall be conclusively presumed to be correct and accurate and constitute an account stated between Borrower and the Lender Group unless, within 30 days after Agent first makes such a statement available to Borrower, Borrower shall deliver to Agent written objection thereto describing the error or errors contained in such statement.

2.9 **Fees.**

(a) **Fee Letter Fees.** Borrower shall pay to Agent, as and when due and payable under the terms of the Fee Letter, the fees set forth in the Fee Letter.

(a) **Unused Line Fee.** Commencing on May 6, 2025, Borrower shall pay to Agent, for the ratable amount of the Lenders, an unused line fee (the "Unused Line Fee") in an amount equal to one quarter of one percent (0.25%) *per annum* times the result of (i) the Maximum Revolver Amount, *minus* (ii) the Average Revolver Usage during the immediately preceding six months (or portion thereof), which Unused Line Fee (including all accrued amounts) shall be due and payable, in arrears, on the first day of each May and November (each a "ULF Payment Date") from and after the Closing Date and on the date on which the Obligations are paid in full. Notwithstanding the foregoing, the Unused Line Fee will be waived for the six months immediately prior to applicable ULF Payment Date if the Average Revolver Usage for each month during such six-month period is equal to or greater than fifty percent (50%) of the Maximum Revolver Amount.

(b) **[Reserved].**

(c) **Field Examination and Other Fees.** Borrower shall pay to Agent, for the account of Agent, field examination, appraisal, and valuation fees and charges, as and when incurred or chargeable, as follows (i) a fee of \$1,100 per day, per examiner, plus out-of-pocket expenses (including travel, meals, and lodging) for each field examination of Borrower performed by personnel employed by Agent, and (ii) the fees, charges, or expenses paid or incurred by Agent (but, in any event, no less than a charge of \$1,100 per day, per Person, plus out-

of-pocket expenses (including travel, meals, and lodging)) if it elects to employ the services of one or more third Persons to perform field examinations of Borrower or its Subsidiaries, to establish electronic collateral reporting systems, to appraise the Collateral, or any portion thereof, or to assess Borrower's or its Subsidiaries' business valuation; provided, that so long as no Event of Default shall have occurred and be continuing, Borrower shall not be obligated to reimburse Agent for more than 1 field examinations during any calendar year, more than 1 appraisal of the Collateral during any calendar year, or more than 1 business valuation during any calendar year.

2.10 **Prepayment Premiums.**

(a) **Early Termination.** If Borrower has sent a notice of termination pursuant to the provisions of Section 3.7, or in the event of a Prepayment for any other reason, including (a) acceleration of the Obligations as a result of the occurrence of an Event of Default, (b) foreclosure and sale of, or collection of, the Collateral, (c) sale of the Collateral in any Insolvency Proceeding, or (d) the restructure, reorganization, or compromise of the Obligations by the confirmation of a plan of reorganization or any other plan of compromise, restructure, or arrangement in any Insolvency Proceeding, then, in view of the impracticability and extreme difficulty of ascertaining the actual amount of damages to the Lender Group or profits lost by the Lender Group as a result of such Prepayment, and by mutual agreement of the parties as to a reasonable estimation and calculation of the lost profits or damages of the Lender Group, Borrower shall pay to Agent, in cash, the Applicable Prepayment Premium, measured as of the date of such Prepayment.

(q) **Partial Prepayments/Reductions.** If Borrower has sent a notice of reduction of the Commitments pursuant to the provisions of Section 2.4, then on the date set forth as the date of reduction in such notice, Borrower shall pay to Agent, in cash, the Applicable Revolver Reduction Premium determined as of such date.

2.11 **[Reserved].**

2.12 **Capital Requirements.**

(a) If, after the date hereof, any Lender determines that (i) any Change in Law regarding capital, liquidity or reserve requirements for banks or bank holding companies, or (ii) compliance by such Lender, or their respective parent bank holding companies, with any guideline, request or directive of any Governmental Authority regarding capital adequacy or liquidity requirements (whether or not having the force of law), has the effect of reducing the return on such Lender's or such holding companies' capital or liquidity as a consequence of such Lender's commitments, Loans, participations or other obligations hereunder to a level below that which such Lender or such holding companies could have achieved but for such Change in Law or compliance (taking into consideration such Lender's or such holding companies' then existing policies with respect to capital adequacy or liquidity requirements and assuming the full utilization of such entity's capital) by any amount deemed by such Lender to be material, then such Lender may notify Borrower and Agent thereof. Following receipt of such notice, Borrower agrees to pay such Lender on demand the amount of such reduction of return of capital as and when such reduction is determined, payable within 30 days after presentation by such Lender of a statement in the amount and setting forth in reasonable detail such Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, such Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided, that Borrower shall not be required to compensate a Lender pursuant to this Section for any reductions in return incurred more than 180 days prior to the date that such Lender notifies Borrower of such Change in Law giving rise to such reductions and of such Lender's intention to claim compensation therefor; provided further, that if such claim arises by reason of the Change in Law that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(a) Notwithstanding anything herein to the contrary, the protection of Sections 2.10, 2.11 and 2.12 shall be available to each Lender (as applicable) regardless of any possible contention of the invalidity or inapplicability of the law, rule, regulation, judicial ruling, judgment, guideline, treaty or other change or condition which shall have occurred or been imposed, so long as it shall be customary for issuing banks or lenders affected thereby to comply therewith. Notwithstanding any other provision herein, no Lender shall demand compensation pursuant to this Section 2.12 if it shall not at the time be the general policy or practice of such Lender (as the case may be) to demand such compensation in similar circumstances under comparable provisions of other credit agreements, if any.

2.13 Accordion.

(a) At any time during the period from and after the Closing Date through but excluding the date that is the 3 year anniversary of the Closing Date, at the option of Borrower (but subject to the conditions set forth in clause (b) below), the Commitments and the Maximum Revolver Amount may be increased by an amount in the aggregate for all such increases of the Commitments and the Maximum Revolver Amount not to exceed the Available Increase Amount (each such increase, an “Increase”). Agent shall invite each Lender to increase its Commitments (it being understood that no Lender shall be obligated to increase its Commitments) in connection with a proposed Increase at the interest margin proposed by Borrower, and if sufficient Lenders do not agree to increase their Commitments in connection with such proposed Increase, then Agent or Borrower may invite any prospective lender who is reasonably satisfactory to Agent and Borrower to become a Lender in connection with a proposed Increase. Any Increase shall be in an amount of at least \$3,000,000 and integral multiples of \$500,000 in excess thereof. In no event may the Commitments and the Maximum Revolver Amount be increased pursuant to this Section 2.13 on more than five (5) occasions in the aggregate for all such Increases. Additionally, for the avoidance of doubt, it is understood and agreed that in no event shall the aggregate amount of the Increases to the Commitments exceed the Available Increase Amount.

(r) Each of the following shall be conditions precedent to any Increase of the Commitments and the Maximum Revolver Amount:

(i) Agent or Borrower have obtained the commitment of one or more Lenders (or other prospective lenders) reasonably satisfactory to Agent and Borrower to provide the applicable Increase and any such Lenders (or prospective lenders), Borrower, and Agent have signed a joinder agreement to this Agreement (an “Increase Joinder”), in form and substance reasonably satisfactory to Agent, to which such Lenders (or prospective lenders), Borrower, and Agent are party,

(ii) each of the conditions precedent set forth in Section 3.4 is satisfied,

(iii) in connection with any Increase, if any Loan Party or any of its Subsidiaries owns or will acquire any Margin Stock, Borrower shall deliver to Agent an updated Form U-1 (with sufficient additional originals thereof for each Lender), duly executed and delivered by Borrower, together with such other documentation as Agent shall reasonably request, in order to enable Agent and the Lenders to comply with any of the requirements under Regulations T, U or X of the Federal Reserve Board,

(iv) Borrower has delivered to Agent updated pro forma Projections (after giving effect to the applicable Increase) for Borrower and its Subsidiaries evidencing compliance on a pro forma basis with Section 8 for the 4 fiscal quarters (on a quarter-by-quarter basis) immediately following the proposed date of the applicable Increase, and

(v) Borrower shall have reached agreement with the Lenders (or prospective lenders) agreeing to the increased Commitments with respect to the interest margins applicable to Advances to be made pursuant to the increased Commitments (which interest margins may be higher than or equal to the interest margins applicable to Advances set forth in this Agreement immediately prior to the date of the increased Commitments (the

date of the effectiveness of the increased Commitments and the Maximum Revolver Amount, the “Increase Date”) and shall have communicated the amount of such interest margins to Agent. Any Increase Joinder may, with the consent of Agent, Borrower and the Lenders or prospective lenders agreeing to the proposed Increase, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate to effectuate the provisions of this Section 2.13 (including any amendment necessary to effectuate the interest margins for the Advances to be made pursuant to the increased Commitments). If the interest margin that is to be applicable to the Advances to be made pursuant to the increased Commitments are higher than the interest margin applicable to the Advances hereunder (as applicable) immediately prior to the applicable Increase Date (the amount by which the interest margin is higher, the “Excess”), then the interest margin applicable to the Advances immediately prior to the Increase Date shall be increased by the amount of the Excess, effective on the applicable Increase Date, and without the necessity of any action by any party hereto.

(s) Unless otherwise specifically provided herein, all references in this Agreement and any other Loan Document to Advances shall be deemed, unless the context otherwise requires, to include Advances made pursuant to the increased Commitments and Maximum Revolver Amount pursuant to this Section 2.13.

(t) Each of the Lenders having a Commitment prior to the Increase Date (the “Pre-Increase Lenders”) shall assign to any Lender which is acquiring a new or additional Commitment on the Increase Date (the “Post-Increase Lenders”), and such Post-Increase Lenders shall purchase from each Pre-Increase Lender, at the principal amount thereof, such interests in the Advances on such Increase Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Advances will be held by Pre-Increase Lenders and Post-Increase Lenders ratably in accordance with their Pro Rata Share after giving effect to such increased Commitments.

(u) The Advances, Commitments, and Maximum Revolver Amount established pursuant to this Section 2.13 shall constitute Advances, Commitments, and Maximum Revolver Amount under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from any guarantees and the security interests created by this Agreement and the other Loan Documents. Borrower shall take any actions reasonably required by Agent to ensure and demonstrate that the Liens and security interests granted by this Agreement and the other Loan Documents continue to be perfected under the Code or otherwise after giving effect to the establishment of any such new Commitments and Maximum Revolver Amount.

2.14 **Cash Management**.

(a) Borrower shall and shall cause each of its Subsidiaries to (i) establish Deposit Accounts in the name of Borrower and maintain Cash Management Services of a type and on terms satisfactory to Agent at one or more of the banks set forth on Schedule 2.14(a) (each, a “Cash Management Bank”), including lock-box arrangements, with respect to such Deposit Accounts, (ii) request in writing and otherwise take such reasonable steps to ensure that all Obligors and/or Obligor Loan Agents and Account Debtors in respect of Obligor Loan Receivables forward payment of the amounts owed by them to Borrower or any of its Subsidiaries directly to the Collection Account, and (iii) deposit daily or cause to be deposited daily all Collections (including those sent directly by Obligors and Account Debtors to Obligor Loan Agents, Borrower or one of their respective Subsidiaries or to a Cash Management Account that is not the Collection Account) into the Collection Account.

(v) Each Deposit Account of Borrower constituting Collateral shall be subject to a Control Agreement (each such Deposit Account, a “Cash Management Account”), in form and substance reasonably acceptable to Agent. Each Control Agreement relating to each such Cash Management Account shall provide, among other things, that (i) the Cash Management Bank will comply with any instructions originated by Agent directing the disposition of the funds in such Cash Management Account without further consent by Borrower or any of their respective Subsidiaries, as applicable, (ii) the Cash Management Bank has no rights of setoff or recoupment or any other claim against the applicable Cash Management Account other than for payment of its

service fees and other charges directly related to the administration of such Cash Management Account and for returned checks or other items of payment, and (iii) upon the instruction of Agent (an "Activation Instruction"), the Cash Management Bank will forward by daily sweep all amounts in each applicable Cash Management Account to the Agent's Account. Agent agrees not to issue an Activation Instruction with respect to the Cash Management Accounts unless an Event of Default has occurred and is continuing at the time such Activation Instruction is issued. Agent agrees to use commercially reasonable efforts to rescind an Activation Instruction (the "Rescission") if: (1) the Event of Default upon which such Activation Instruction was issued has been waived in writing in accordance with the terms of the Agreement, and (2) no additional Event of Default has occurred and is continuing prior to the date of the Rescission or is reasonably expected to occur on or immediately after the date of the Rescission.

(w) So long as no Default or Event of Default has occurred and is continuing, Borrower may amend Schedule 2.14(a) to add or replace a Cash Management Bank or a Cash Management Account; provided, that (i) such prospective Cash Management Bank shall be reasonably satisfactory to Agent and Agent shall have consented in writing in advance to the establishment of such Cash Management Account with the prospective Cash Management Bank, and (ii) prior to making a deposit in such Cash Management Account, Borrower (or its Subsidiary) and such prospective Cash Management Bank shall have executed and delivered to Agent a Control Agreement. Borrower (or its Subsidiaries) shall close any of its Cash Management Accounts (and establish replacement Cash Management Accounts in accordance with the foregoing sentence) promptly and in any event within 30 days of notice from Agent that the creditworthiness of any Cash Management Bank is no longer acceptable in Agent's Permitted Discretion, or as promptly as practicable and in any event within 60 days of notice from Agent that the operating performance, funds transfer, or availability procedures or performance of the Cash Management Bank with respect to any Cash Management Account is no longer acceptable in Agent's Permitted Discretion.

3. **CONDITIONS TO CLOSING AND FUNDING; TERM OF AGREEMENT.**

3.1 **No Obligation to Close or Advance.** Lenders are not required to close this loan facility and fund any Advances until all of the requirements and conditions set forth in this Article III have been completed and fulfilled to the satisfaction of Agent in its discretion and at Borrower's sole cost and expense.

3.2 **Conditions Precedent to Closing and Boarding.** In order to for the Lenders to board this loan facility and give effectiveness to the commitment hereunder, on or before the Closing Date, Borrower must provide to Agent each of the following, in form and substance acceptable to Agent to the extent not waived by Agent:

(ab) Agent shall have received an opinion of counsel to each Loan Party, in form and substance satisfactory to Agent;

(ac) Agent shall have received evidence, satisfactory to Agent in its sole discretion, of the repayment in full of all outstanding obligations and termination of the Existing Credit Facility;

(al) all other documents and legal matters in connection with the transactions contemplated by this Agreement or reasonably requested by Agent shall have been delivered, executed, or recorded and shall be in form and substance satisfactory to Agent.

3.3 **Conditions Precedent to the Initial Advance.** Agent and Lender will make the initial Advance provided for hereunder only after the satisfaction or waiver, as determined by Agent and Lenders, of each of the following conditions precedent (the making of such initial Advance by a Lender being conclusively deemed to be its satisfaction or waiver of the conditions precedent):

(a) Agent shall have received each of the following documents, in form and substance satisfactory to Agent, duly executed, and each such document shall be in full force and effect:

(i) To the extent required under Section 5.15, Control Agreements with respect to all Deposit Accounts and Securities Accounts constituting Collateral maintained by, or for the benefit of, Borrower,

(f) all other documents and legal matters in connection with the transactions contemplated by this Agreement to be completed prior to the initial Advance hereunder shall have been delivered, executed, or recorded and shall be in form and substance satisfactory to Agent.

3.4 **Conditions Precedent to all Extensions of Credit.** The obligation of the Lender Group (or any member thereof) to make any Advances hereunder (or to extend any other credit hereunder) at any time (including the initial Advance after the satisfaction of the conditions set forth in Sections 3.2 and 3.3) shall be subject to the following conditions precedent:

(a) the representations and warranties of each Loan Party and their respective Subsidiaries contained in this Agreement or in the other Loan Documents shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) on and as of the date of such extension of credit, as though made on and as of such date (except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (except that

such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of such earlier date);

(am) no Default or Event of Default shall have occurred and be continuing on the date of such extension of credit, nor shall either result from the making thereof; and

(a) by written notice to Borrower, declare the principal of, and any and all accrued and unpaid interest and fees in respect of, the Loans and all other Obligations (other than the Bank Product Obligations), whether evidenced by this Agreement or by any of the other Loan Documents to be immediately due and payable, whereupon the same shall become and be immediately due and payable and Borrower shall be obligated to repay all of such Obligations in full, without presentment, demand, protest, or further notice or other requirements of any kind, all of which are hereby expressly waived by Borrower;

(c) without notice to or demand upon Borrower, make such payments and do such acts as Agent considers necessary or reasonable to protect its security interests in the Collateral. Borrower agrees to assemble the Collateral if Agent so requires, and to make the Collateral available to Agent at a place that Agent may designate which is reasonably convenient to both parties. Borrower authorizes Agent to enter the premises where the Collateral is located, to take and maintain possession of the Collateral, or any part of it, and to pay, purchase, contest, or compromise any Lien that in Agent's determination appears to conflict with the priority of Agent's Liens in and to the Collateral and to pay all expenses incurred in connection therewith and to charge Borrower's Loan Account therefor. With respect to any of Borrower's owned or leased premises, Borrower hereby grants Agent a license to enter into possession of such premises and to occupy the same, without charge, in order to exercise any of the Lender Group's rights or remedies provided herein, at law, in equity, or otherwise;

(d) without notice to Borrower (such notice being expressly waived), and without constituting an acceptance of any collateral in full or partial satisfaction of an obligation (within the meaning of the Code), set off and apply to the Obligations any and all (i) balances and deposits of Borrower held by the Lender Group (including any amounts received in the Collection Account or any other Cash Management Accounts), or (ii) Indebtedness at any time owing to or for the credit or the account of Borrower held by the Lender Group;

(f) ship, reclaim, recover, store, finish, maintain, repair, prepare for sale, advertise for sale, and sell (in the manner provided for herein) the Collateral. Borrower hereby grants to Agent a license or other right

to use, without charge, Borrower's labels, patents, copyrights, trade secrets, trade names, trademarks, service marks, and advertising matter, or any property of a similar nature, as it pertains to the Collateral, in completing production of, advertising for sale, and selling any Collateral and Borrower's rights under all licenses and all franchise agreements shall inure to the Lender Group's benefit;

It is not necessary that the Collateral be present at any such sale;

(h) except in those circumstances where no notice is required under the Code, Agent shall give notice of the disposition of the Collateral as follows:

(i) Agent shall give Borrower a notice in writing of the time and place of public sale, or, if the sale is a private sale or some other disposition other than a public sale is to be made of the Collateral, the time on or after which the private sale or other disposition is to be made; and

(ii) the notice shall be personally delivered or mailed, postage prepaid, to Borrower as provided in Section 12, at least 10 days before the earliest time of disposition set forth in the notice; no notice needs to be given prior to the disposition of any portion of the Collateral that is perishable or threatens to decline speedily in value or that is of a type customarily sold on a recognized market;

(i) Agent, on behalf of the Lender Group, may credit bid and purchase at any public sale;

(j) Agent may seek the appointment of a receiver or keeper to take possession of all or any portion of the Collateral or to operate same and, to the maximum extent permitted by law, may seek the appointment of such a receiver without the requirement of prior notice or a hearing;

(l) exercise all other rights and remedies available to Agent or the Lenders under the Loan Documents, under applicable law, or in equity.

The foregoing to the contrary notwithstanding, upon the occurrence of any Event of Default described in Section 9.4 or Section 9.5, in addition to the remedies set forth above, without any notice to Borrower or any other Person or any act by the Lender Group, the Commitments shall automatically terminate and the Obligations (other than the Bank Product Obligations), inclusive of the principal of, and any and all accrued and unpaid interest and fees in respect of, the Loans and all other Obligations (other than the Bank Product Obligations), whether evidenced by this Agreement or by any of the other Loan Documents, shall automatically become and be immediately due and payable, and Borrower shall automatically be obligated to repay all of such Obligations in full (including Borrower being obligated to provide (and Borrower agrees that it will provide) Bank Product Collateralization to be held as security for Borrower's or its Subsidiaries' obligations in respect of outstanding Bank Products), without presentment, demand, protest, or notice or other requirements of any kind, all of which are expressly waived by Borrower.

1.2 **Special Rights of the Lender Group in respect of Obligor Loan Receivables.** Without limiting Section 10.1, should Borrower or an Obligor Loan Agent, default in performance of its obligations in respect of any Obligor Loan Receivable, or fail to take any action necessary to preserve the ongoing performance, enforceability or value thereof then, in any such event, Agent shall have the right to take such action as Agent may deem necessary in its sole discretion to preserve the ongoing performance and enforceability of any such Obligor Loan Receivable and preserve the value thereof, respectively, including without limitation, taking any action that Borrower is required or authorized to take in respect thereof or to otherwise properly service same, or contract with any Person to take or perform any such actions. Borrower hereby grants to Agent a special power of attorney

(which shall be irrevocable, coupled with an interest and include power of substitution) to take any action authorized in this Section 10.2. Any advances, payments or other costs or expenses made or incurred by Agent in taking any action authorized under this Section 10.2 shall constitute Obligations and reimbursed to Agent on demand or, at Agent's discretion charged and treated as Advances. Agent's rights under this Section 10.2 are cumulative of all other rights of the Agent under the Loan Documents and may be exercised in whole or in part, in Agent's discretion. Agent shall have no obligation to take any action under this Section 10.2, and no undertaking by Agent under this Section 10.2 shall obligate Agent to continue any such action or to take any other or additional action under this Section 10.2.

1.3 **Remedies Cumulative.** The rights and remedies of the Lender Group under this Agreement, the other Loan Documents, and all other agreements shall be cumulative. The Lender Group shall have all other rights and remedies not inconsistent herewith as provided under the Code, by law, or in equity. No exercise by the Lender Group of one right or remedy shall be deemed an election, and no waiver by the Lender Group of any Default or Event of Default shall be deemed a continuing waiver. No delay by the Lender Group shall constitute a waiver, election, or acquiescence by it.

11. WAIVERS; INDEMNIFICATION.

11.1 **Demand; Protest; etc.** Borrower waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by the Lender Group on which Borrower may in any way be liable.

11.2 **The Lender Group's Liability for Collateral.** Borrower hereby agrees that: (a) so long as Agent complies with its obligations, if any, under the Code, the Lender Group shall not in any way or manner be liable or responsible for: (i) the safekeeping of the Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by the Loan Parties.

11.3 **Indemnification.** Borrower shall pay, indemnify, defend, and hold the Agent-Related Persons, the Lender-Related Persons and each Participant (each, an "Indemnified Person") harmless (to the fullest extent permitted by law) from and against any and all claims, demands, suits, actions, investigations, proceedings, liabilities, fines, costs, penalties, and damages, and all reasonable fees and disbursements of attorneys, experts, or consultants and all other costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with or as a result of or related to the execution and delivery (provided that Borrower shall not be liable for costs and expenses (including attorneys' fees) of any Lender (other than EWB) incurred in advising, structuring, drafting, reviewing, administering or syndicating the Loan Documents), enforcement, performance, or administration (including any restructuring or workout with respect hereto) of this Agreement, any of the other Loan Documents, or the transactions contemplated hereby or thereby or the monitoring of Borrower's and its Subsidiaries' compliance with the terms of the Loan Documents (provided, that the indemnification in this clause (a), shall not extend to (i) disputes solely between or among the Lenders that do not involve any acts or omissions of any Loan Party, or (ii) disputes solely between or among the Lenders and their respective Affiliates that do not involve any acts or omissions of any Loan Party; it being understood and agreed that the indemnification in this clause (a) shall extend to Agent (but not the Lenders unless the dispute involves an act or omission of a Loan Party) relative to disputes between or among Agent on the one hand, and one or more Lenders, or one or more of their Affiliates, on the other hand, or (iii) any claims for Taxes, which shall be governed by Section 17, other than Taxes which relate to primarily non-Tax claims), (b) with respect to any actual or prospective investigation, litigation, or proceeding related to this Agreement, any other Loan Document, the making of any Advances hereunder, or the use of the proceeds of the Advances provided hereunder (irrespective of whether any Indemnified Person is a party thereto),

or any act, omission, event, or circumstance in any manner related thereto, and (c) in connection with or arising out of any presence or release of Hazardous Materials at, on, under, to or from any assets or properties owned, leased or operated by any Loan Party or any of its Subsidiaries or any Environmental Actions, Environmental Liabilities or Remedial Actions related in any way to any such assets or properties of any Loan Party or any of its Subsidiaries (each and all of the foregoing, the "Indemnified Liabilities"). The foregoing notwithstanding, Borrower shall have no obligation to any Indemnified Person under this Section 11.3 with respect to any Indemnified Liability that a court of competent jurisdiction finally determines to have resulted from the gross negligence or willful misconduct of such Indemnified Person or its officers, directors, employees, attorneys, or agents. This provision shall survive the termination of this Agreement and the repayment in full of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which Borrower was required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by Borrower with respect thereto. **WITHOUT LIMITATION, THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF ANY OTHER PERSON.**

14. ASSIGNMENTS AND PARTICIPATIONS; SUCCESSORS.

14.1 Assignments and Participations.

(a) (i) Subject to the conditions set forth in clause (a)(ii) below, any Lender may assign and delegate all or any portion of its rights and duties under the Loan Documents (including the Obligations owed to it and its Commitments) to one or more assignees so long as such prospective assignee is an Eligible Transferee (each, an "Assignee"), with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) Borrower; provided, that no consent of Borrower shall be required (1) if a Default or an Event of Default has occurred and is continuing, (2) in connection with an assignment to a Person that is a Lender or an Affiliate (other than natural persons) of a Lender, or (3) if such assignment is in connection with a sale or other disposition of all or substantially all of any Lender's loan portfolio; provided, further, that Borrower

shall be deemed to have consented to a proposed assignment unless it objects thereto by written notice to Agent within five Business Days after having received notice thereof; and

(B) Agent and Swing Lender.

(i) Assignments shall be subject to the following additional conditions:

(A) no assignment may be made (i) so long as no Event of Default has occurred and is continuing, to a Disqualified Institution, or (ii) to a natural person,

(B) no assignment may be made to a Loan Party or an Affiliate of a Loan Party,

(C) the amount of the Commitments and the other rights and obligations of the assigning Lender hereunder and under the other Loan Documents subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to Agent) shall be in a minimum amount (unless waived by Agent) of \$5,000,000 (except such minimum amount shall not apply to (I) an assignment or delegation by any Lender to any other Lender, an Affiliate of any Lender, or a Related Fund of such Lender or (II) a group of new Lenders, each of which is an Affiliate of each other or a Related Fund of such new Lender to the extent that the aggregate amount to be assigned to all such new Lenders is at least \$5,000,000),

(D) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement,

(E) the parties to each assignment shall execute and deliver to Agent an Assignment and Acceptance; provided, that Borrower and Agent may continue to deal solely and directly with the assigning Lender in connection with the interest so assigned to an Assignee until written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to Borrower and Agent by such Lender and the Assignee,

(F) unless waived by Agent, the assigning Lender or Assignee has paid to Agent, for Agent's separate account, a processing fee in the amount of \$3,500, and

(G) the assignee, if it is not a Lender, shall deliver to Agent an Administrative Questionnaire in a form approved by Agent (the "Administrative Questionnaire").

(a) From and after the date that Agent receives the executed Assignment and Acceptance and, if applicable, payment of the required processing fee, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall be a "Lender" and shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Section 11.3) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement and the other Loan Documents, such Lender shall cease to be a party hereto and thereto); provided, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender's obligations under Section 16 and Section 18.9(a).

(b) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or

representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto, (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto, (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (v) such Assignee appoints and authorizes Agent to take such actions and to exercise such powers under this Agreement and the other Loan Documents as are delegated to Agent, by the terms hereof and thereof, together with such powers as are reasonably incidental thereto, and (vi) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(c) Immediately upon Agent's receipt of the required processing fee, if applicable, and delivery of notice to the assigning Lender pursuant to Section 14.1(b), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Commitments arising therefrom. The Commitment allocated to each Assignee shall reduce such Commitments of the assigning Lender *pro tanto*.

(d) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons (a "Participant") participating interests in all or any portion of its Obligations, its Commitment, and the other rights and interests of that Lender (the "Originating Lender") hereunder and under the other Loan Documents; provided, that (i) the Originating Lender shall remain a "Lender" for all purposes of this Agreement and the other Loan Documents and the Participant receiving the participating interest in the Obligations, the Commitments, and the other rights and interests of the Originating Lender hereunder shall not constitute a "Lender" hereunder or under the other Loan Documents and the Originating Lender's obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrower, Agent, and the Lenders shall continue to deal solely and directly with the Originating Lender in connection with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other Loan Document would (A) extend the final maturity date of the Obligations hereunder in which such Participant is participating, (B) reduce the interest rate applicable to the Obligations hereunder in which such Participant is participating, (C) release all or substantially all of the Collateral or guaranties (except to the extent expressly provided herein or in any of the Loan Documents) supporting the Obligations hereunder in which such Participant is participating, (D) postpone the payment of, or reduce the amount of, the interest or fees payable to such Participant through such Lender (other than a waiver of default interest), or (E) decrease the amount or postpone the due dates of scheduled principal repayments or prepayments or premiums payable to such Participant through such Lender, (v) no participation shall be sold to a natural person, (vi) no participation shall be sold to a Loan Party or an Affiliate of a Loan Party, and (vii) all amounts payable by Borrower hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement. The rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other Loan Documents or any direct rights as to the other Lenders, Agent, Borrower, the Collections of Borrower or its Subsidiaries, the Collateral, or otherwise in respect of the Obligations.

No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves.

(e) In connection with any such assignment or participation or proposed assignment or participation or any grant of a security interest in, or pledge of, its rights under and interest in this Agreement, a Lender may, subject to the provisions of Section 18.9, disclose all documents and information which it now or hereafter may have relating to any Loan Party and its Subsidiaries and their respective businesses.

(f) Any other provision in this Agreement notwithstanding, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement to secure obligations of such Lender, including any pledge in favor of any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Bank or U.S. Treasury Regulation 31 CFR §203.24, and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law; provided, that no such pledge shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

14.2 **Successors.** This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, that Borrower may not assign this Agreement or any rights or duties hereunder without the Lenders' prior written consent and any prohibited assignment shall be absolutely void *ab initio*. No consent to assignment by the Lenders shall release Borrower from its Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 14.1 and, except as expressly required by Section 14.1, no consent or approval by Borrower is required in connection with any such assignment.

15. AMENDMENTS; WAIVERS.

15.1 Amendments and Waivers.

(a) No amendment, waiver or other modification of any provision of this Agreement or any other Loan Document (other than the Fee Letter), and no consent with respect to any departure by Borrower therefrom, shall be effective unless the same shall be in writing and signed by the Required Lenders (or by Agent at the written request of the Required Lenders) and the Loan Parties that are party thereto and then any such waiver or consent shall be effective, but only in the specific instance and for the specific purpose for which given; provided, that no such waiver, amendment, or consent shall, unless in writing and signed by all of the Lenders directly affected thereby and all of the Loan Parties that are party thereto, do any of the following:

- (c) [Reserved];
- (d) No amendment, waiver, modification, elimination, or consent shall amend, modify, or waive any provision of this Agreement or the other Loan Documents pertaining to Swing Lender, or any other rights or duties of Swing Lender under this Agreement or the other Loan Documents, without the written consent of Swing Lender, Agent, Borrower, and the Required Lenders; and
- (e) Anything in this Section 15.1 to the contrary notwithstanding, (i) any amendment, modification, elimination, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other Loan Document that relates only to the relationship of the Lender Group among themselves, and that does not affect the rights or obligations of any Loan Party, shall not require consent by or the agreement of any Loan Party and (ii) any amendment, waiver, modification, elimination, or consent of or with respect to any provision of this Agreement or any other Loan Document may be entered into without the consent of, or over the objection of, any Defaulting Lender.

15.2 **Replacement of Certain Lenders.**

(a) If (i) any action to be taken by the Lender Group or Agent hereunder requires the consent, authorization, or agreement of all Lenders or all Lenders affected thereby and if such action has received the consent, authorization, or agreement of the Required Lenders but not of all Lenders or all Lenders affected thereby, or (ii) any Lender makes a claim for compensation under Section 17, then Borrower or Agent, upon at least five Business Days prior irrevocable notice, may permanently replace any Lender that failed to give its consent, authorization, or agreement (a “Non-Consenting Lender”) or any Lender that made a claim for compensation (a “Tax Lender”) with one or more Replacement Lenders, and the Non-Consenting Lender or Tax Lender, as applicable, shall have no right to refuse to be replaced hereunder. Such notice to replace the Non-Consenting Lender or Tax Lender, as applicable, shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given.

(a) Prior to the effective date of such replacement, the Non-Consenting Lender or Tax Lender, as applicable, and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Non-Consenting Lender or Tax Lender, as applicable, being repaid in full its share of the outstanding Obligations (without any premium or penalty of any kind whatsoever, but including all interest, fees and other amounts that may be due in payable in respect thereof). If the Non-Consenting Lender or Tax Lender, as applicable, shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, Agent may, but shall not be required to, execute and deliver such Assignment and Acceptance in the name or and on behalf of the Non-Consenting Lender or Tax Lender, as applicable, and irrespective of whether Agent executes and delivers such Assignment and Acceptance, the Non-Consenting Lender or Tax Lender, as applicable, shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Non-Consenting Lender or Tax Lender, as applicable, shall be made in accordance with the terms of Section 14.1. Until such time as one or more Replacement Lenders shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Non-Consenting Lender or Tax Lender, as applicable, hereunder and under the other Loan Documents, the Non-Consenting Lender or Tax Lender, as applicable, shall remain obligated to make the Non-Consenting Lender’s or Tax Lender’s, as applicable, Pro Rata Share of Advances.

15.3 **No Waivers; Cumulative Remedies.** No failure by Agent or any Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or any Lender on any occasion shall affect or diminish Agent’s and each Lender’s rights thereafter to require strict performance by Borrower of any provision of this Agreement. Agent’s and each Lender’s rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that Agent or any Lender may have.

16. **AGENT; THE LENDER GROUP.**

16.1 **Appointment and Authorization of Agent.** Each Lender hereby designates and appoints EWB as its agent under this Agreement and the other Loan Documents and each Lender hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to designate, appoint, and authorize) Agent to execute and deliver each of the other Loan Documents on its behalf and to take such other action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to Agent by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as agent for and on behalf of the Lenders (and the Bank Product Providers) on the conditions contained in this Section 16. Any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document notwithstanding, Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other Loan Documents, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender (or Bank Product Provider), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be

read into this Agreement or any other Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing, the use of the term “agent” in this Agreement or the other Loan Documents with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Each Lender hereby further authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to act as the secured party under each of the Loan Documents that create a Lien on any item of Collateral. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions that Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, or of any other provision of the Loan Documents that provides rights or powers to Agent, Lenders agree that Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (a) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Collateral, payments and proceeds of Collateral, and related matters, (b) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to the Loan Documents, or to take any other action with respect to any Collateral or Loan Documents which may be necessary to perfect, and maintain perfected, the security interests and Liens upon Collateral pursuant to the Loan Documents, (c) make Advances, for itself or on behalf of Lenders, as provided in the Loan Documents, (d) exclusively receive, apply, and distribute payments and proceeds of the Collateral as provided in the Loan Documents, (e) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the Loan Documents for the foregoing purposes, (f) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to any Loan Party or its Subsidiaries, the Obligations, the Collateral, or otherwise related to any of same as provided in the Loan Documents, including the determination of eligibility of Obligor Loan Receivable, the necessity and amount of reserves against the Borrowing Base, Borrower’s compliance with the Required Procedures and all other determinations and decisions relating to ordinary course administration of the credit facilities contemplated hereunder, and (g) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the Loan Documents.

16.2 **Delegation of Duties.** Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any agent or attorney in fact that it selects as long as such selection was made without gross negligence or willful misconduct.

16.3 **Liability of Agent.** None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders (or Bank Product Providers) for any recital, statement, representation or warranty made by any Loan Party or any of its Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of any Loan Party or its Subsidiaries or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders (or Bank Product Providers) to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the books and records or properties of any Loan Party or its Subsidiaries. No Agent-Related Person shall have any liability to any Lender, and Loan Party or any of their respective Affiliates if any request for an

Advance or other extension of credit was not authorized by Borrower. Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Loan Document or applicable law or regulation.

16.4 **Reliance by Agent.** Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, telefacsimile or other electronic method of transmission, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrower or counsel to any Lender), independent accountants and other experts selected by Agent. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders (and, if it so elects, the Bank Product Providers) against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders (and Bank Product Providers).

16.5 **Notice of Default or Event of Default.** Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent shall have received written notice from a Lender or Borrower referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a “notice of default.” Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any. Subject to Section 16.4, Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9; provided, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

16.6 **Credit Decision.** Each Lender (and Bank Product Provider) acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of any Loan Party and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender (or Bank Product Provider). Each Lender represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) to Agent that it has, independently and without reliance upon any Agent-Related Person and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of Borrower or any other Person party to a Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to Borrower. Each Lender also represents (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to represent) that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of Borrower or any other Person party to a Loan Document. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall not have any duty or responsibility to provide any Lender (or Bank Product

Provider) with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of Borrower or any other Person party to a Loan Document that may come into the possession of any of the Agent-Related Persons. Each Lender acknowledges (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that Agent does not have any duty or responsibility, either initially or on a continuing basis (except to the extent, if any, that is expressly specified herein) to provide such Lender (or Bank Product Provider) with any credit or other information with respect to Borrower, its Affiliates or any of their respective business, legal, financial or other affairs, and irrespective of whether such information came into Agent's or its Affiliates' or representatives' possession before or after the date on which such Lender became a party to this Agreement (or such Bank Product Provider entered into a Bank Product Agreement).

16.7 **Costs and Expenses; Indemnification.** Agent may incur and pay Lender Group Expenses to the extent Agent reasonably deems necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the Loan Documents, including court costs, attorneys' fees and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the Collateral, whether or not Borrower is obligated to reimburse Agent or Lenders for such expenses pursuant to this Agreement or otherwise. Agent is authorized and directed to deduct and retain sufficient amounts from payments or proceeds of the Collateral received by Agent to reimburse Agent for such out-of-pocket costs and expenses prior to the distribution of any amounts to Lenders (or Bank Product Providers). In the event Agent is not reimbursed for such costs and expenses by the Loan Parties and their respective Subsidiaries, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's ratable share thereof. Whether or not the transactions contemplated hereby are consummated, each of the Lenders, on a ratable basis, shall indemnify and defend the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrower and without limiting the obligation of Borrower to do so) from and against any and all Indemnified Liabilities; provided, that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence or willful misconduct nor shall any Lender be liable for the obligations of any Defaulting Lender in failing to make an Advance or other extension of credit hereunder. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including attorneys, accountants, advisors, and consultants fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other Loan Document to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrower. The undertaking in this Section shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

16.8 **Agent in Individual Capacity.** EWB and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with any Loan Party and its Subsidiaries and Affiliates and any other Person party to any Loan Document as though EWB were not Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, EWB or its Affiliates may receive information regarding a Loan Party or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of such Loan Party or such other Person and that prohibit the disclosure of such information to the Lenders (or Bank Product Providers), and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver Agent will use its reasonable best efforts to obtain), Agent shall not be under any obligation to provide such information to them. The terms "Lender" and "Lenders" include EWB in its individual capacity.

16.9 **Successor Agent.** Agent may resign as Agent upon 30 days (ten days' if an Event of Default has occurred and is continuing) prior written notice to the Lenders (unless such notice is waived by the Required Lenders) and Borrower (unless such notice is waived by Borrower or a Default or an Event of Default has occurred and is continuing) and without any notice to the Bank Product Providers. If Agent resigns under this Agreement, the Required Lenders shall be entitled, with (so long as no Event of Default has occurred and is continuing) the consent of Borrower (such consent not to be unreasonably withheld, delayed, or conditioned), appoint a successor Agent for the Lenders (and the Bank Product Providers). If, at the time that Agent's resignation is effective, it is acting as the Swing Lender, such resignation shall also operate to effectuate its resignation as the Swing Lender, as applicable, and it shall automatically be relieved of any further obligation to make Swing Loans. If no successor Agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with the Lenders and Borrower, a successor Agent. If Agent has materially breached or failed to perform any material provision of this Agreement or of applicable law, the Required Lenders may agree in writing to remove and replace Agent with a successor Agent from among the Lenders with (so long as no Event of Default has occurred and is continuing) the consent of Borrower (such consent not to be unreasonably withheld, delayed, or conditioned). In any such event, upon the acceptance of its appointment as successor Agent hereunder, such successor Agent shall succeed to all the rights, powers, and duties of the retiring Agent and the term "Agent" shall mean such successor Agent and the retiring Agent's appointment, powers, and duties as Agent shall be terminated. After any retiring Agent's resignation hereunder as Agent, the provisions of this Section 16 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement. If no successor Agent has accepted appointment as Agent by the date which is 30 days following a retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Agent hereunder until such time, if any, as the Lenders appoint a successor Agent as provided for above.

16.10 **Lender in Individual Capacity.** Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide Bank Products to, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with any Loan Party and its Subsidiaries and Affiliates and any other Person party to any Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other members of the Lender Group (or the Bank Product Providers). The other members of the Lender Group acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, pursuant to such activities, such Lender and its respective Affiliates may receive information regarding a Loan Party or its Affiliates or any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of such Loan Party or such other Person and that prohibit the disclosure of such information to the Lenders, and the Lenders acknowledge (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to acknowledge) that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

16.11 **Collateral Matters.**

(a) The Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent to release any Lien on any Collateral (i) upon the termination of the Commitments and payment and satisfaction in full by Borrower of all of the Obligations, (ii) constituting property being sold or disposed of if a release is required or desirable in connection therewith and if Borrower certifies to Agent that the sale or disposition is permitted under Section 7.4 (and Agent may rely conclusively on any such certificate, without further inquiry), (iii) constituting property in which no Loan Party or any of its Subsidiaries owned any interest at the time Agent's Lien was granted nor at any time thereafter, (iv) constituting property leased or licensed to a Loan Party or its Subsidiaries under a lease or license that has expired or is terminated in a transaction permitted under this Agreement, or (v) in connection with a credit bid or purchase authorized under this Section 16.11. The Loan Parties and the Lenders hereby irrevocably authorize (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to authorize) Agent,

based upon the instruction of the Required Lenders, to (A) consent to the sale of, credit bid, or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code, (B) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any sale or other disposition thereof conducted under the provisions of the Code, including pursuant to Sections 9-610 or 9-620 of the Code, or (C) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the Collateral at any other sale or foreclosure conducted or consented to by Agent in accordance with applicable law in any judicial action or proceeding or by the exercise of any legal or equitable remedy. In connection with any such credit bid or purchase, (1) the Obligations owed to the Lenders and the Bank Product Providers shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not impair or unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the Collateral and, if such contingent or unliquidated claims cannot be estimated without impairing or unduly delaying the ability of Agent to credit bid at such sale or other disposition, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the Collateral that is the subject of such credit bid or purchase) and the Lenders and the Bank Product Providers whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the Collateral that is the subject of such credit bid or purchase (or in the Equity Interests of any entities that are used to consummate such credit bid or purchase), and (2) Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by any entities used to consummate such credit bid or purchase and in connection therewith Agent may reduce the Obligations owed to the Lenders and the Bank Product Providers (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) based upon the value of such non-cash consideration; provided, that Bank Product Obligations not entitled to the application set forth in Section 2.3(b)(ii)(I) shall not be entitled to be, and shall not be, credit bid, or used in the calculation of the ratable interest of the Lenders and Bank Product Providers in the Obligations which are credit bid. Except as provided above, Agent will not execute and deliver a release of any Lien on any Collateral without the prior written authorization of (y) if the release is of all or substantially all of the Collateral, all of the Lenders (without requiring the authorization of the Bank Product Providers), or (z) otherwise, the Required Lenders (without requiring the authorization of the Bank Product Providers). Upon request by Agent or Borrower at any time, the Lenders will (and if so requested, the Bank Product Providers will) confirm in writing Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section 16.11; provided, that (I) anything to the contrary contained in any of the Loan Documents notwithstanding, Agent shall not be required to execute any document or take any action necessary to evidence such release on terms that, in Agent's opinion, could expose Agent to liability or create any obligation or entail any consequence other than the release of such Lien without recourse, representation, or warranty, and (II) such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly released) upon (or obligations of Borrower in respect of) any and all interests retained by Borrower, including, the proceeds of any sale, all of which shall continue to constitute part of the Collateral. Each Lender further hereby irrevocably authorizes (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to irrevocably authorize) Agent, at its option and in its sole discretion, to subordinate (by contract or otherwise) any Lien granted to or held by Agent on any property under any Loan Document (a) to the holder of any Permitted Lien on such property if such Permitted Lien secures Permitted Purchase Money Indebtedness and (b) to the extent Agent has the authority under this Section 16.11 to release its Lien on such property. Notwithstanding the provisions of this Section 16.11, the Agent shall be authorized, without the consent of any Lender and without the requirement that an asset sale consisting of the sale, transfer or other disposition having occurred, to release any security interest in any building, structure or improvement located in an area determined by the Federal Emergency Management Agency to have special flood hazards.

(a) Agent shall have no obligation whatsoever to any of the Lenders (or the Bank Product Providers) (i) to verify or assure that the Collateral exists or is owned by a Loan Party or any of its Subsidiaries or is cared for, protected, or insured or has been encumbered, (ii) to verify or assure that Agent's Liens have been

properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, (iii) to verify or assure that any particular items of Collateral meet the eligibility criteria applicable in respect thereof (iv) to impose, maintain, increase, reduce, implement or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or (v) to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan Documents, it being understood and agreed that in respect of the Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender (or Bank Product Provider) as to any of the foregoing, except as otherwise expressly provided herein.

16.12 Restrictions on Actions by Lenders; Sharing of Payments.

(a) Each of the Lenders agrees that it shall not, without the express written consent of Agent, and that it shall, to the extent it is lawfully entitled to do so, upon the written request of Agent, set off against the Obligations, any amounts owing by such Lender to any Loan Party or its Subsidiaries or any deposit accounts of any Loan Party or its Subsidiaries now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any Loan Document against Borrower or any Guarantor or to foreclose any Lien on, or otherwise enforce any security interest in, any of the Collateral.

(a) If, at any time or times any Lender shall receive (i) by payment, foreclosure, setoff, or otherwise, any proceeds of Collateral or any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's Pro Rata Share of all such distributions by Agent, such Lender promptly shall (A) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

16.13 Agency for Perfection. Agent hereby appoints each other Lender (and each Bank Product Provider) as its agent (and each Lender hereby accepts (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to accept) such appointment) for the purpose of perfecting Agent's Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the Code can be perfected by possession or control. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such Collateral to Agent or in accordance with Agent's instructions.

16.14 Payments by Agent to the Lenders. All payments to be made by Agent to the Lenders (or Bank Product Providers) shall be made by bank wire transfer of immediately available funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to Agent. Concurrently with each such payment, Agent shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the Obligations.

16.15 Concerning the Collateral and Related Loan Documents. Each member of the Lender Group authorizes and directs Agent to enter into this Agreement and the other Loan Documents. Each member of the

Lender Group agrees (and by entering into a Bank Product Agreement, each Bank Product Provider shall be deemed to agree) that any action taken by Agent in accordance with the terms of this Agreement or the other Loan Documents relating to the Collateral and the exercise by Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders (and such Bank Product Provider).

16.16 **Field Examination Reports; Confidentiality; Disclaimers by Lenders; Other Reports and Information.** By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, a copy of each field examination report respecting any Loan Party or its Subsidiaries (each, a "Report") prepared by or at the request of Agent, and Agent shall so furnish each Lender with such Reports,

(a) expressly agrees and acknowledges that Agent does not (i) make any representation or warranty as to the accuracy of any Report, and (ii) shall not be liable for any information contained in any Report,

(b) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent or other party performing any field examination will inspect only specific information regarding the Loan Parties and their respective Subsidiaries and will rely significantly upon Borrower's and its Subsidiaries' books and records, as well as on representations of Borrower's personnel,

(c) agrees to keep all Reports and other material, non-public information regarding the Loan Parties and their Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 18.9, and

(d) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of Borrower, and (ii) to pay and protect, and indemnify, defend and hold Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including attorneys' fees and costs) incurred by Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

(e) In addition to the foregoing, (x) any Lender may from time to time request of Agent in writing that Agent provide to such Lender a copy of any report or document provided by any Loan Party or its Subsidiaries to Agent that has not been contemporaneously provided by such Loan Party or such Subsidiary to such Lender, and, upon receipt of such request, Agent promptly shall provide a copy of same to such Lender, (y) to the extent that Agent is entitled, under any provision of the Loan Documents, to request additional reports or information from any Loan Party or its Subsidiaries, any Lender may, from time to time, reasonably request Agent to exercise such right as specified in such Lender's notice to Agent, whereupon Agent promptly shall request of Borrower the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from such Loan Party or such Subsidiary, Agent promptly shall provide a copy of same to such Lender, and (z) any time that Agent renders to Borrower a statement regarding the Loan Account, Agent shall send a copy of such statement to each Lender.

16.17 **Several Obligations; No Liability.** Notwithstanding that certain of the Loan Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their

respective Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 16.7, no member of the Lender Group shall have any liability for the acts of any other member of the Lender Group. No Lender shall be responsible to Borrower or any other Person for any failure by any other Lender (or Bank Product Provider) to fulfill its obligations to make credit available hereunder, nor to advance for such Lender (or Bank Product Provider) or on its behalf, nor to take any other action on behalf of such Lender (or Bank Product Provider) hereunder or in connection with the financing contemplated herein.

16.18 **Joint Lead Arrangers, Joint Book Runners, Co-Syndication Agents, and Co-Documentation Agents**. Each of the Joint Lead Arrangers, Joint Book Runners, Co-Syndication Agents, and Co-Documentation Agents, in such capacities, shall not have any right, power, obligation, liability, responsibility, or duty under this Agreement other than those applicable to it in its capacity as a Lender, as Agent, or as Swing Lender. Without limiting the foregoing, each of the Joint Lead Arrangers, Joint Book Runners, Co-Syndication Agents, and Co-Documentation Agents, in such capacities, shall not have or be deemed to have any fiduciary relationship with any Lender or any Loan Party. Each Lender, Agent, Swing Lender, and each Loan Party acknowledges that it has not relied, and will not rely, on the Joint Lead Arrangers, Joint Book Runners, Co-Syndication Agents, and Co-Documentation Agents in deciding to enter into this Agreement or in taking or not taking action hereunder. Each of the Joint Lead Arrangers, Joint Book Runners, Co-Syndication Agents, and Co-Documentation Agents, in such capacities, shall be entitled to resign at any time by giving notice to Agent and Borrower.

16.19 **Acknowledgment and Consent to Bail-In of Affected Financial Institutions**. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any Resolution Authority.

17. **WITHHOLDING TAXES.**

17.1 **Payments**. All payments made by any Loan Party under any Loan Document will be made free and clear of, and without deduction or withholding for, any Taxes, except as otherwise required by applicable law, and

in the event any deduction or withholding of Taxes is required, the applicable Loan Party shall make the requisite withholding, promptly pay over to the applicable Governmental Authority the withheld tax, and furnish to Agent as promptly as possible after the date the payment of any such Tax is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by the Loan Parties. Furthermore, if any such Tax is an Indemnified Taxes or an Indemnified Tax is so levied or imposed, the Loan Parties agree to pay the full amount of such Indemnified Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or Loan Document, including any amount paid pursuant to this Section 17.1 after withholding or deduction for or on account of any Indemnified Taxes, will not be less than the amount provided for herein. The Loan Parties will promptly pay any Other Taxes or reimburse Agent for such Other Taxes upon Agent's demand. The Loan Parties shall jointly and severally indemnify each Indemnified Person (as defined in Section 11.3) (collectively a "Tax Indemnitee") for the full amount of Indemnified Taxes arising in connection with this Agreement or any other Loan Document or breach thereof by any Loan Party (including any Indemnified Taxes imposed or asserted on, or attributable to, amounts payable under this Section 17) imposed on, or paid by, such Tax Indemnitee and all reasonable costs and expenses related thereto (including fees and disbursements of attorneys and other tax professionals), as and when they are incurred and irrespective of whether suit is brought, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority (other than Indemnified Taxes and additional amounts that a court of competent jurisdiction finally determines to have resulted from the gross negligence or willful misconduct of such Tax Indemnitee). The obligations of the Loan Parties under this Section 17 shall survive the termination of this Agreement, the resignation and replacement of the Agent, and the repayment of the Obligations.

17.2 Exemptions.

(a) If a Lender or Participant is entitled to claim an exemption or reduction from United States withholding tax, such Lender or Participant agrees with and in favor of Agent, to deliver to Agent (or, in the case of a Participant, to the Lender granting the participation only) and Borrower one of the following before receiving its first payment under this Agreement:

(i) if such Lender or Participant is entitled to claim an exemption from United States withholding tax pursuant to the portfolio interest exception, (A) a statement of the Lender or Participant, signed under penalty of perjury, that it is not a (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of Borrower (within the meaning of Section 871(h)(3)(B) of the IRC), or (III) a controlled foreign corporation related to Borrower within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN, Form W-8BEN-E, or Form W-8IMY (with proper attachments, as applicable);

(ii) if such Lender or Participant is entitled to claim an exemption from, or a reduction of, withholding tax under a United States tax treaty, a properly completed and executed copy of IRS Form W-8BEN or Form W-8BEN-E, as applicable;

(iii) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender, a properly completed and executed copy of IRS Form W-8ECI;

(iv) if such Lender or Participant is entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because such Lender or Participant serves as an intermediary, a properly completed and executed copy of IRS Form W-8IMY (including a withholding statement and copies of the tax certification documentation for its beneficial owner(s) of the income paid to the intermediary, if required based on its status provided on the Form W-8IMY); or

(v) a properly completed and executed copy of any other form or forms, including IRS Form W-9, as may be required under the IRC or other laws of the United States as a condition to exemption from, or reduction of, United States withholding or backup withholding tax.

(a) Each Lender or Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and promptly notify Agent (or, in the case of a Participant, to the Lender granting the participation only) and Borrower of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(b) If a Lender or Participant claims an exemption from withholding tax in a jurisdiction other than the United States, such Lender or such Participant agrees with and in favor of Agent and Borrower, to deliver to Agent (or, in the case of a Participant, to the Lender granting the participation only) and Borrower, any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement, but only if such Lender or such Participant is legally able to deliver such forms, or the providing of or delivery of such forms in the Lender's reasonable judgment would not subject such Lender to any material unreimbursed cost or expense or materially prejudice the legal or commercial position of such Lender (or its Affiliates); provided, that nothing in this Section 17.2(c) shall require a Lender or Participant to disclose any information that it deems to be confidential (including its tax returns). Each Lender and each Participant shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and promptly notify Agent and Borrower (or, in the case of a Participant, to the Lender granting the participation only) of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(c) If a Lender or Participant claims exemption from, or reduction of, withholding tax and such Lender or Participant sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Borrower to such Lender or Participant, such Lender or Participant agrees to notify Agent (or, in the case of a sale of a participation interest, to the Lender granting the participation only) and Borrower of the percentage amount in which it is no longer the beneficial owner of Obligations of Borrower to such Lender or Participant. To the extent of such percentage amount, Agent will treat such Lender's or such Participant's documentation provided pursuant to Section 17.2(a) or 17.2(c) as no longer valid. With respect to such percentage amount, such Participant or Assignee may provide new documentation, pursuant to Section 17.2(a) or 17.2(c), if applicable. Borrower agrees that each Participant shall be entitled to the benefits of this Section 17 with respect to its participation in any portion of the Commitments and the Obligations so long as such Participant complies with the obligations set forth in this Section 17 with respect thereto.

(d) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable due diligence and reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the IRC, as applicable), such Lender shall deliver to Agent (or, in the case of a Participant, to the Lender granting the participation only) at the time or times prescribed by law and at such time or times reasonably requested by Agent (or, in the case of a Participant, the Lender granting the participation) such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the IRC) and such additional documentation reasonably requested by Agent (or, in the case of a Participant, the Lender granting the participation) as may be necessary for Agent or Borrower to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

17.3 **Reductions.**

(a) If a Lender or a Participant is subject to an applicable withholding tax, Agent (or, in the case of a Participant, the Lender granting the participation) may withhold from any payment to such Lender or such Participant an amount equivalent to the applicable withholding tax. If the forms or other documentation required by Section 17.2(a) or 17.2(c) are not delivered to Agent (or, in the case of a Participant, to the Lender granting the participation), then Agent (or, in the case of a Participant, to the Lender granting the participation) may withhold

from any payment to such Lender or such Participant not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(a) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that Agent (or, in the case of a Participant, to the Lender granting the participation) did not properly withhold tax from amounts paid to or for the account of any Lender or any Participant due to a failure on the part of the Lender or any Participant (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify Agent (or such Participant failed to notify the Lender granting the participation) of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold Agent harmless (or, in the case of a Participant, such Participant shall indemnify and hold the Lender granting the participation harmless) for all amounts paid, directly or indirectly, by Agent (or, in the case of a Participant, to the Lender granting the participation), as tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to Agent (or, in the case of a Participant, to the Lender granting the participation only) under this Section 17, together with all costs and expenses (including attorneys' fees and expenses). The obligation of the Lenders and the Participants under this subsection shall survive the payment of all Obligations and the resignation or replacement of Agent.

17.4 **Refunds.** If Agent or a Lender determines, in its sole discretion, that it has received a refund of any Indemnified Taxes to which the Loan Parties have paid additional amounts pursuant to this Section 17, so long as no Default or Event of Default has occurred and is continuing, it shall pay over such refund Borrower on behalf of the Loan Parties (but only to the extent of payments made, or additional amounts paid, by the Loan Parties under this Section 17 with respect to Indemnified Taxes giving rise to such a refund), net of all out-of-pocket expenses of Agent or such Lender and without interest (other than any interest paid by the applicable Governmental Authority with respect to such a refund); provided, that the Loan Parties, upon the request of Agent or such Lender, agree to repay the amount paid over to the Loan Parties (plus any penalties, interest or other charges, imposed by the applicable Governmental Authority, other than such penalties, interest or other charges imposed as a result of the willful misconduct or gross negligence of Agent or Lender hereunder as finally determined by a court of competent jurisdiction) to Agent or such Lender in the event Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything in this Agreement to the contrary, this Section 17 shall not be construed to require Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to Loan Parties or any other Person or require Agent or any Lender to pay any amount to an indemnifying party pursuant to Section 17.4, the payment of which would place Agent or such Lender (or their Affiliates) in a less favorable net after-Tax position than such Person would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid.

18. GENERAL PROVISIONS.

18.1 **Effectiveness.** This Agreement shall be binding and deemed effective when executed by Borrower, Agent, and each Lender whose signature is provided for on the signature pages hereof.

18.2 **Section Headings.** Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

18.3 **Interpretation.** Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lender Group or Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

18.4 **Severability of Provisions.** Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

18.5 **Bank Product Providers.** Each Bank Product Provider in its capacity as such shall be deemed a third party beneficiary hereof and of the provisions of the other Loan Documents for purposes of any reference in a Loan Document to the parties for whom Agent is acting. Agent hereby agrees to act as agent for such Bank Product Providers and by virtue of entering into a Bank Product Agreement, the applicable Bank Product Provider shall be automatically deemed to have appointed Agent as its agent and to have accepted the benefits of the Loan Documents. It is understood and agreed that the rights and benefits of each Bank Product Provider under the Loan Documents consist exclusively of such Bank Product Provider's being a beneficiary of the Liens and security interests (and, if applicable, guarantees) granted to Agent and the right to share in payments and collections out of the Collateral as more fully set forth herein. In addition, each Bank Product Provider, by virtue of entering into a Bank Product Agreement, shall be automatically deemed to have agreed that Agent shall have the right, but shall have no obligation, to establish, maintain, relax, or release reserves in respect of the Bank Product Obligations and that if reserves are established there is no obligation on the part of Agent to determine or insure whether the amount of any such reserve is appropriate or not. In connection with any such distribution of payments or proceeds of Collateral, Agent shall be entitled to assume no amounts are due or owing to any Bank Product Provider unless such Bank Product Provider has provided a written certification (setting forth a reasonably detailed calculation) to Agent as to the amounts that are due and owing to it and such written certification is received by Agent a reasonable period of time prior to the making of such distribution. Agent shall have no obligation to calculate the amount due and payable with respect to any Bank Products, but may rely upon the written certification of the amount due and payable from the applicable Bank Product Provider. In the absence of an updated certification, Agent shall be entitled to assume that the amount due and payable to the applicable Bank Product Provider is the amount last certified to Agent by such Bank Product Provider as being due and payable (less any distributions made to such Bank Product Provider on account thereof). Borrower may obtain Bank Products from any Bank Product Provider, although Borrower is not required to do so. Borrower acknowledges and agrees that no Bank Product Provider has committed to provide any Bank Products and that the providing of Bank Products by any Bank Product Provider is in the sole and absolute discretion of such Bank Product Provider. Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no provider or holder of any Bank Product shall have any voting or approval rights hereunder (or be deemed a Lender) solely by virtue of its status as the provider or holder of such agreements or products or the Obligations owing thereunder, nor shall the consent of any such provider or holder be required (other than in their capacities as Lenders, to the extent applicable) for any matter hereunder or under any of the other Loan Documents, including as to any matter relating to the Collateral or the release of Collateral or Guarantors.

18.6 **Debtor-Creditor Relationship.** The relationship between the Lenders and Agent, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. No member of the Lender Group has (or shall be deemed to have) any fiduciary relationship or duty to any Loan Party arising out of or in connection with the Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between the members of the Lender Group, on the one hand, and the Loan Parties, on the other hand, by virtue of any Loan Document or any transaction contemplated therein.

18.7 **Counterparts; Electronic Execution.** This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

18.8 **Revival and Reinstatement of Obligations.**

(a) If any member of the Lender Group or any Bank Product Provider repays, refunds, restores, or returns in whole or in part, any payment or property (including any proceeds of Collateral) previously paid or transferred to such member of the Lender Group or such Bank Product Provider in full or partial satisfaction of any Obligation or on account of any other obligation of any Loan Party under any Loan Document or any Bank Product Agreement, because the payment, transfer, or the incurrence of the obligation so satisfied is asserted or declared to be void, voidable, or otherwise recoverable under any law relating to creditors' rights, including provisions of the Bankruptcy Code relating to fraudulent transfers, preferences, or other voidable or recoverable obligations or transfers (each, a "Voidable Transfer"), or because such member of the Lender Group or Bank Product Provider elects to do so on the reasonable advice of its counsel in connection with a claim that the payment, transfer, or incurrence is or may be a Voidable Transfer, then, as to any such Voidable Transfer, or the amount thereof that such member of the Lender Group or Bank Product Provider elects to repay, restore, or return (including pursuant to a settlement of any claim in respect thereof), and as to all reasonable costs, expenses, and attorneys' fees of such member of the Lender Group or Bank Product Provider related thereto, (i) the liability of the Loan Parties with respect to the amount or property paid, refunded, restored, or returned will automatically and immediately be revived, reinstated, and restored and will exist and (ii) Agent's Liens securing such liability shall be effective, revived, and remain in full force and effect, in each case, as fully as if such Voidable Transfer had never been made. If, prior to any of the foregoing, (A) Agent's Liens shall have been released or terminated or (B) any provision of this Agreement shall have been terminated or cancelled, Agent's Liens, or such provision of this Agreement, shall be reinstated in full force and effect and such prior release, termination, cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligation of any Loan Party in respect of such liability or any Collateral securing such liability. This provision shall survive the termination of this Agreement and the repayment in full of the Obligations.

(a) Anything to the contrary contained herein notwithstanding, if Agent or any Lender accepts a guaranty of only a portion of the Obligations pursuant to any guaranty, Borrower hereby waives its right under Section 2822(a) of the California Civil Code or any similar laws of any other applicable jurisdiction to designate the portion of the Obligations satisfied by the applicable guarantor's partial payment.

18.9 **Confidentiality.**

(a) Agent and Lenders each individually (and not jointly or jointly and severally) agree that material, non-public information regarding the Loan Parties and their Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by Agent and the Lenders in a confidential manner, and shall not be disclosed by Agent and the Lenders to Persons who are not parties to this Agreement, except: (i) to attorneys for and other advisors, accountants, auditors, and consultants to any member of the Lender Group and to employees, directors and officers of any member of the Lender Group (the Persons in this clause (i), "Lender Group Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of any member of the Lender Group (including the Bank Product Providers), provided that any such Subsidiary or Affiliate shall have agreed to receive such information hereunder subject to the terms of this Section 18.9, (iii) as may be required by regulatory authorities so long as such authorities are informed of the confidential nature of such information, (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation; provided that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide Borrower with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Borrower pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by Borrower, (vi) as requested or required by any Governmental Authority pursuant to any subpoena or other legal process, provided, that, (x) prior to any disclosure under this

clause (vi) the disclosing party agrees to provide Borrower with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrower pursuant to the terms of the subpoena or other legal process and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (vii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Agent or the Lenders or the Lender Group Representatives), (viii) in connection with any assignment, participation or pledge of any Lender's interest under this Agreement, provided that prior to receipt of Confidential Information any such assignee, participant, or pledgee shall have agreed in writing to receive such Confidential Information either subject to the terms of this Section 18.9 or pursuant to confidentiality requirements substantially similar to those contained in this Section 18.9 (and such Person may disclose such Confidential Information to Persons employed or engaged them as described in clause (i) above), (ix) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents; provided, that, prior to any disclosure to any Person (other than any Loan Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (ix) with respect to litigation involving any Person (other than Borrower, Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Borrower with prior written notice thereof, and (x) in connection with, and to the extent reasonably necessary for, the exercise of any secured creditor remedy under this Agreement or under any other Loan Document.

(a) Anything in this Agreement to the contrary notwithstanding, Agent may disclose information concerning the terms and conditions of this Agreement and the other Loan Documents to loan syndication and pricing reporting services or in its marketing or promotional materials, with such information to consist of deal terms and other information customarily found in such publications or marketing or promotional materials and may otherwise use the name, logos, and other insignia of Borrower or the other Loan Parties and the Commitments provided hereunder in any "tombstone" or other advertisements, on its website or in other marketing materials of the Agent.

(b) Each Loan Party agrees that Agent may make materials or information provided by or on behalf of Borrower hereunder (collectively, "Borrower Materials") available to the Lenders by posting the Communications on IntraLinks, SyndTrak or a substantially similar secure electronic transmission system (the "Platform"). The Platform is provided "as is" and "as available." Agent does not warrant the accuracy or completeness of the Borrower Materials, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by Agent in connection with the Borrower Materials or the Platform. In no event shall Agent or any of the Agent-Related Persons have any liability to the Loan Parties, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or Agent's transmission of communications through the Internet, except to the extent the liability of such person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such person's gross negligence or willful misconduct. Each Loan Party further agrees that certain of the Lenders may be "public-side" Lenders (*i.e.*, Lenders that do not wish to receive material non-public information with respect to the Loan Parties or their securities) (each, a "Public Lender"). The Loan Parties shall be deemed to have authorized Agent and its Affiliates and the Lenders to treat Borrower Materials marked "PUBLIC" or otherwise at any time filed with the SEC as not containing any material non-public information with respect to the Loan Parties or their securities for purposes of United States federal and state securities laws. All Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated as "Public Investor" (or another similar term). Agent and its Affiliates and the Lenders shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" or that are not at any time filed with the SEC as being suitable only for posting on a portion of the Platform not marked as "Public Investor" (or such other similar term).

18.10 **Survival.** All representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of, or any accrued interest on, any Loan or any fee or any other amount payable under this Agreement is outstanding or unpaid and so long as the Commitments have not expired or been terminated.

18.11 **Patriot Act; Due Diligence.** Each Lender that is subject to the requirements of the Patriot Act hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender to identify each Loan Party in accordance with the Patriot Act. In addition, Agent and each Lender shall have the right to periodically conduct due diligence on all Loan Parties, their senior management and key principals and legal and beneficial owners. Each Loan Party agrees to cooperate in respect of the conduct of such due diligence and further agrees that the reasonable costs and charges for any such due diligence by Agent shall constitute Lender Group Expenses hereunder and be for the account of Borrower.

18.12 **Integration.** This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof. The foregoing to the contrary notwithstanding, all Bank Product Agreements, if any, are independent agreements governed by the written provisions of such Bank Product Agreements, which will remain in full force and effect, unaffected by any repayment, prepayments, acceleration, reduction, increase, or change in the terms of any credit extended hereunder, except as otherwise expressly provided in such Bank Product Agreement.

18.13 **Acknowledgement Regarding Any Supported QFCs.** To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
